

Sigil of

A Mother's Blessing

By this star, may your path be guided.

*By these moons, may your home be
protected.*

By this heart, may love never falter.

*By these roots, may peace and harmony
grow deep.*

For you and
for yours,
for all seasons
and storms,
may the walls
hold warmth,
and the air
hum with joy.

So it is woven.

So it shall be.
