

Sigil of

The Guarded Heart

Within this circle, love is shielded.

Within this heart, joy is protected.

Within this star, peace is crowned.

The blades stand watch, sharp and steady,
turning away harm, doubt, and discord.
The heart at the center glows unbroken,
a flame of happiness that cannot be stolen.

Place this sigil where
your spirit dwells,
carry it close, or trace
it upon your door.
It shall guard what is
precious,
it shall keep safe what
is tender,
and it shall hold firm
the peace you deserve.

So it is drawn. So it is
guarded. So it shall be.
