

New for 2026...Portishead Carnival 2026 will see the launch of our new

'It's A Knockout – Family Edition'.

The 2025 It's A Knockout provided a lot of laughs and some great entertainment. However, various issues were highlighted, including Time allocated to run the event / Configuration of the teams / The selection of the games.

To help overcome these issues, we have launched the IAKO Family Addition, New for 2026:

Time allocated to run the event.

To overcome time restrictions on Carnival Day, and make it more inclusive for children, we are launching the new 'Family Edition' that will take place at the Show Field on Saturday 6th June 2026 from 1100hrs to 1600hrs.

This truly aims to be a fun packed family day and although we have more time available, spaces are still limited, and we would ask you register early to ensure your team a place on the day.

All team members will receive a medal on the day, and the top two teams will go forward to compete in a playoff round in the main arena, at the Show Field, on Carnival Day to be crowned the Carnival IAKO champions 2026.

Configuration of the teams.

The aim is to attract as many teams as possible from schools, clubs & other organisations.

Your team of gladiators should be made up of 2 dads, 2 mums, 2 boys (Yr 5 or 6) and 2 girls (Yr 5 or 6) and of course as many cheerleaders as you can muster for the day.

The selection of the games.

The games would take on more of a school sports day but for both adults and children. The games selected would be nonphysical contact events that provide a challenge for all participants and provide good entertainment for spectators.

Each event would take a relay format including adults and children competing together.
