When is Carnival 2026?

Carnival 2026 will be held on Saturday 13th June.

Why do we need Advertisers?

As we are sure you can appreciate, putting on the largest event in the Portishead social calendar, with so many varying elements, insurances, licences, H&S Conditions etc all comes at a very high administrative cost.

Carnival costs approximately £45,000 to deliver and although the event is mainly funded by the community, advertisers are a vital part of the Carnivals delivery and success.

To ensure every business, large and small has an opportunity to show the local community their support for the carnival we have put together a selection of advertising opportunities.

What are the Carnival Program Advertising Options?

Entrance to the show field is via program only. Last year our licencing numbers were restricted to 4,999 people and we sold out before the event. We have increased our licence now to 8,000 people, which means your ad will now be seen by thousands more than historically possible.

Advertising space available are Full Page / Half Page / Quarter Page / Eighth Page. Regardless of what size advert suits your business best, the community will know who is supporting the delivery of Carnival 2026.

What are the Show Field Advertising Options?

Hundreds of meters of pedestrian security barriers are throughout the show field from the main arena, entrances & stage just to mention a few.

This is a great opportunity to have your company banner on show throughout carnival reaching 8,000 people.

The 7ft x 2ft banner is yours to keep after carnival day so you can use it at other events.

What if I want to advertise but do not have the ability to create it?

No problem, our team are here to help you. With all the skills within our team we can help create your ad with you

If you feel you or your company could be a Carnival 2026 advertiser to help deliver this historic event, please complete the attached and return it admin@possetevents.com
