

Thank you for your interest in supporting the return of Portishead Carnival.

The Carnival has been a valued annual community event in Portishead for over 100 years attracting thousands of people from the town and surrounding areas. Carnival 2025 will be held on 14th June delivering a host of traditional and new events.

Event day will begin with the traditional parade consisting of a mixture of floats & walkers covering the 1.5 miles from the lake grounds to the show field on Clevedon Road. The parade will terminate at the show field.

To make the parade a success we need a vast mixture of colour, scenes and sounds to give participants and spectators that magical carnival atmosphere and experience.

We are actively encouraging individuals, small / large groups, schools, organisations and businesses throughout Portishead to get involved in the parade to help create that magical feeling. Entrance can either be a walking part of the parade or create an imaginative float. For those concerned about the regulations, Health & safety and insurances for a float, don't panic. Our committee members have walked this minefield and are on hand to walk you safely through the whole process.

A variety of prizes / awards are up for the taking to all who enter. So, whether you're just looking to be part of a great fun day or eager to show your competitive skills there a reason to enter the parade.

As we are sure you can appreciate, the administrative costs to deliver the parade safely and effectively can be high. To offset some of these costs we do ask for a small contribution from all participants.

If you feel you or your school / club / organisation / company would like to be part of the Carnival 2025 Parade, please complete the attached form and a member of our committee will contact you to discuss in more detail.

For the Community.... By the Community

Portishead Carnival 2025

Show Field Presence

Various Opportunities also exist for your school / club / organisation / company to exhibit, trade or even raise funds for a local charity at the Show Field with various size pitches available. Why not explore your options by contacting: showfield@possetevents.com
