

Welcome!!

We are excited and happy to announce that Lake Marian Restaurant is scheduled to open mid, to end of August. My wife and I are working hard to make sure everything is just right to make sure your dining experience will be joyful and satisfying.

Our menu is Country Style Home Cooking, with a little flare of seafood and BBQ. The All-You-Can eat breakfast and salad bars are sure to be a hit. Our aim is to become a family and community oriented restaurant, hoping to source our product from local vendors.

So come on in, sit down and relax, or call in an order. Sorry, no deliveries.

We will keep this page updated with latest news about our menu and daily specials.

Hope to see ya'll soon!
