

# Welcome!

Thanks for visiting Lake Marian Restaurant Web Page.

We're a family owned and operated business, proud to be a part of our Kenansville community!

Our menu offers Country Style Home Cooking, some BBQ off the smoker, and we recently started serving fresh made Pizza.

Come sit and enjoy our comfortable and warm atmosphere, or call us for take-out. Our Catfish, Fried Chicken, Gator nuggets and Swamp Cabbage are favorites with our customers.

My wife Missy loves baking some delicious Cakes and Pies for you to enjoy for dessert.

We use strictly Beef Tallow in our fryers, not processed seed or vegetable oil.

Scroll down to see some pictures that are sure to whet your appetite. Check out our menu and business hours.

**Hope to see you soon!**
