

**Happy to see you visiting our page.**

**We're a family owned and operated business, proud  
to be part of our community!**

**The menu offers Country Style Cooking, some BBQ  
off the smoker, and we recently started serving  
Pizza. Come sit and enjoy the comfortable and  
warm atmosphere we've created for you, or call us  
for take-out. Our Catfish, Fried Chicken, Gator and  
Swamp Cabbage are a favorite with our customers.**

**My wife Missy loves baking some delicious cakes  
and pies for you to enjoy for dessert. We use  
strictly Beef Tallow in our fryers, not that highly  
processed seed oil.**

**Breakfast is on Saturday and Sunday from 8:00AM  
to 11:00AM. On Thursday we've got .75 Wings, and  
the all-you-can-eat salad bar is always ready for  
you.**

**Scroll on down to see some pictures that are sure  
to whet your appetite, and check out the menu and  
business hours.**

**Hope to see you soon!**
