We are a dedicated group of parents, educators, and community members committed to fostering a nurturing and enriching environment for our preschool children in the UK. Our mission is to support the development and well-being of young learners by promoting engaging educational experiences, encouraging parental involvement, and collaborating with local resources. Together, we strive to create a vibrant community where every child can thrive, explore, and develop foundational skills that will set the stage for their future successes.

If you would like to know more about joining us in making a positive impact on the lives of our children and the broader community drop us an email wesleypreschool.iq@hotmail.com
