

Toddlers

Our very busy toddler session is held every Friday during term time from 9.00-11.00. It is ideal for all children under five and their mum/carer. Dads, grandparents etc are all welcome too.

Our experienced childcare practitioners run these sessions and always have a wide range of age appropriate activities for the children to enjoy, including a weekly craft activity. The children also have access to our new garden area to burn off a bit of energy in the fresh air.

We have tea and coffee on offer for you. The session is then rounded off with a big singalong at the end complete with actions and props for all to enjoy.

We host special themed weeks – Halloween and Christmas parties being particular favourites also Messy Play. Please visit our facebook page for more information @community kernow wesley baby & toddler group

Why not join us, no need to book, come and see what its all about – you never know you might be lucky and come when we have one of our regular cakes and bakes on offer.
