IN CELEBRATION OF THE LIFE OF
JORDAN HARBOTTLE

WELCOME

Dear All,

Welcome and thank you for attending the fourth annual Memorial Day held in honour of the life of our dear loved one Jordan Harbottle who sadly passed away at the age of 26 on 14th October 2020.

Today's event is to help raise money for the Harby Foundation which was set up following Jordan's passing, with the aim of helping support underprivileged children gain access to sport in Nottinghamshire.

Jordan thrived on helping others and seeing them do well. His beaming positivity and endless optimism was infectious and a source of inspiration to all those who knew him. He was an avid cricketer and passionate sportsman, and it therefore seemed fitting to try and honour Jordan's memory by giving something back to a cause he loved dearly.

The Harby Foundation is now in its fourth year and the support received has been nothing short of incredible. Through the kindness of all those who have donated, we have managed to raise over £50,000 which has helped underprivileged children throughout Nottinghamshire. A full list of all of the initiatives that have received support is listed later in the programme.

Thank you to those who have made donations and provided gifts for our raffle and auction. We understand that the cost of living continues to be difficult for everyone and in the midst of such financial hardship in society, we are even more grateful for the generosity people have shown.

We would also like to thank everyone who has given their time and support in helping us get this far and for the many efforts that have been made in making today happen.

We hope you all enjoy today's family event and join us in honouring Jordan's memory and raising money for a good cause.

With warmth, love and gratitude,

Jordan's Family (Trustees of The Harby Foundation) x

ORDER OF THE DAY/ AUCTION LOTS

START - 2PM

FOOTBALL KICKOFF - 3PM

AUCTION - 5:15PM

Olivia Butcher raised £860 running the Leeds half marathon

Charis Smith raised £1,140 in a white collar boxing match in Manchester

FIGHTING FOR THE HARBY FOUNDATION

£ 1,140 raised of £ 500 goal

RUSSEL YOUTH CLUB

We would like to extend our heartfelt thanks to the Harby Foundation for their incredible support of the Russell Youth Club. When news of our fundraiser for baking sessions reached Claire from the Foundation, she immediately reached out to offer assistance. Understanding the challenges we faced in sourcing funding, Claire kindly donated a generous variety of essential baking items. This thoughtful contribution enabled our self-funded, volunteer-led sessions to continue, much to the delight of the young people involved.

In addition to this, Claire learned of our need for sports equipment and went above and beyond by donating a wide range of items, including a gymnastics air mat, crash mats, football nets, balls, bibs, and hula hoops. These resources have made a remarkable difference in the experiences we're able to offer at the centre.

Thanks to the Harby Foundation's generosity, our activities have grown in both quality and accessibility. All of us at the Russell Youth Club are deeply grateful and would like to say a massive thank you for the kindness, support, and meaningful contribution you've made to our community.

With sincere appreciation, The team at
Russel Youth Club

HELPING KIDS ACHIEVE

For the past four years, The Harby Foundation has been a vital supporter of Helping Kids Achieve, funding a range of youth projects including basketball, BMX racing, and after-school clubs. Their generous contributions have enabled us to engage with hundreds of young people every week, providing essential opportunities and support. Without this funding, we would be unable to reach some of the most vulnerable children in our community—offering them a safe space to learn, play, and grow, while connecting with positive role models. We extend our heartfelt thanks to The Harby Foundation for their continued support and for being a lifeline to the youth sector at a time when government funding is in decline. Your backing has allowed us to keep making a meaningful difference in the lives of young people.

THE PYTHIAN CLUB

A Huge Thank You to The Harby Foundation

The Pythian Club would like to express our heartfelt thanks to The Harby Foundation for the incredible support they've provided to our organisation and the wider community.

Our earliest memories of their generosity goes back to when they donated football boots and covered the financial subs for players who couldn't afford to join the football team. This simple but powerful gesture ensured that no young person was left behind due to financial barriers.

But The Harby Foundation didn't stop there...

They went on to fund our Multi-sports Monday sessions at the Pythian Community Hub — a project that has been a tremendous success. These sessions brought young people from different communities together, fostering inclusion, unity, and well-being through sport and activity.

We are especially grateful to Claire , who has generously given her time and energy to support our senior leadership team with advice, encouragement, and invaluable guidance. Claire's daughter, Charis, has also become an inspiring part of our journey, volunteering at our club and leading fun, interactive boxing sessions that the young people absolutely love.

In conclusion, we offer a massive thank you to The Harby Foundation. Your impact on The Pythian Club and the communities we serve is nothing short of extraordinary.

With deep appreciation,
The Pythian Club

PARKSIDE BOXING

We'd like to give a huge thank you to The Harby Foundation for their continued support and funding of Parkside Boxing Club. Their generosity has helped us get much needed new equipment for the kids of Bulwell, giving them a safe space to train, stay active, and build confidence.

The support from The Harby Foundation goes far beyond just equipment. It's helping to keep young people off the streets, giving them focus, discipline, and a real sense of purpose. The impact this has on both individuals and the wider community is truly powerful.

What a fantastic charity, one that doesn't just support our club, but has helped so many others too. We're especially grateful for Claire and son Shay, who have visited the club and attended our events. Their presence and belief in what we do mean the world to us.

Thank you for everything. Your support is changing lives.

Thank you all
Parkside Boxing 🇬🇧

SWEET SCIENCE ACADEMY

On behalf of everyone at Sweet Science Combat Academy, I would like to extend our sincere thanks for your generous support of our youth boxing programme.

Your contribution has made a significant impact on our mission to engage young people under 16 in structured, positive boxing training. With your help, we've been able to provide access to high-quality coaching, equipment, and a safe, inclusive environment where our youth can develop confidence, discipline, and a strong sense of community.

Thanks to The Harby Foundation's funding, more young people now have the opportunity to channel their energy into sport, build resilience, and learn valuable life skills through boxing. We've already seen a number of participants grow in self belief and commitment- outcomes that would not be possible without your support.

We are deeply grateful for your belief in our work and in the potential of the young people we serve. We look forward to keeping you updated on the continued progress of the programme and the impact it is making across our community.
