Due to the time limitation to prepare for your show: after TWO

inconsistent, incorrect, or un-fulfilled (photos AND weight) check-ins, you will be subject to termination from the team without reimbursement. *Consistency means that you take your photos in the same spot, same lighting, same angle, and similar outfits each week. The only case that you should not have a consistent check-in is during travel. Otherwise, this is a requirement. Check-ins are 1 minute of your entire week, there should be no excuses. PHOTOS AND WEIGHT at check-in.

2. If you do not check-in on YOUR specified day and your Coach does not hear from you within 24-48 hours, we will assume you have decided to not continue the remainder of the plan and you will be terminated. However, if your reasoning is that your means of communication is lost or damaged, there are other ways you can contact your Coach and execute a check-in, so there are no excuses and again, no refunds.
