Leading with Emotional Intelligence

WORKSHOP DATES:

March: 4, 6, 11, 13, 18 - 2026

TIME: 9:00 am – 12:30 pm

COST: \$3000

VENUE: Online

TARGET GROUPS: Managers, Supervisors, Leaders

PARTICIPANTS WILL:

- Understand E.I. & how it can be used to enhance Leadership
- Focus on and enhance the core E. I. competencies
- Develop all 6 Leadership Styles & display them in an Emotionally Intelligent way
- Understand the impact each Leadership Style has on the Work Climate
- Better understand their own Leadership strengths & weaknesses
- Understand the impact their behaviour has on others
- Enhance Communication in order to bring out the best in staff and others
- Understand the 6 Climate Dimensions
- Enhance their skills in developing high performing harmonious teams
- Develop the skills in managing and resolving Interpersonal Conflict

The *Leading with E.I.* programme focuses on developing the E.I. Competencies that distinguish outstanding leaders from average leaders. Participants are also exposed to the Korn Ferry model of 6 Leadership Styles.

Elements of the Programme – Workshop, Buddy System, Email Coaching, Post-Workshop Assignment.
