OBJECTIVES

- To understand E.I. and how it can be used to enhance Leadership
- To focus on and enhance the core E. I. competencies
- To develop all 6 Leadership Styles & display them in an Emotionally Intelligent way
- To understand the impact each Leadership Style has on the Work Climate
- To better understand one's own Leadership strengths and weaknesses
- To understand the impact one's behaviour has on others
- To enhance Communication in order to bring out the best in staff and others
- To understand the six Climate Dimensions
- To enhance participants' skills in developing high performing harmonious teams
- To develop the skills in managing and resolving Interpersonal Conflict

Emotional Intelligence (E.I.) is the ability to recognise and manage our emotions. The Leading with E.I. workshop focuses on developing the E.I. Competencies that distinguish outstanding leaders from average leaders. Participants are also exposed to the Korn Ferry model of 6 Leadership Styles.

Elements of the Programme – Pre-Workshop Assessment, Workshop, Email Coaching, Post-Workshop Assignment.
