2021-2022 Academic Year Classes Start on

August 27, 2021

For us, education is not just a business.
It is a passion and commitment to guide and support students to reach their optimum

The Curie Learning program is designed for academically inclined students who need a challenge. Ongoing and future success of a child critically depends on laying a strong foundation in Math/English during elementary and middle school years. We have completed twelve years serving the region and strive to offer the best Math and English programs available in the region for elementary-school, middle-school, and high-school students.

2021-2022 Academic Year Admissions Open Now

We are now accepting registrations for the 2021-2022 academic year for students grades 1-7. We also offer SAT/ACT Coaching and Writing classes for High-school students, and many other courses for students of all levels.

Any new student who is not continuing from the past school year is required to complete an entrance exam before enrolling. **For more information regarding the entrance exam and registration information, please send an e-mail to curielearning@gmail.com.**

131 Students coached by Curie Learning will be attending the 2021-2022 Freshman Class at Thomas Jefferson High School for Science and Technology, and at the Academies of Loudoun. **Number of Admission Offers Curie Students Received in 2021 so far: TJHSST: 96 offers, AOS: 36 offers, AET: 45 offers**

NEW FEATURE!

LEVELS 5 & 6 ONLINE PRIVATE ENGLISH SESSIONS

Feedback from teachers, parents, and students alike have led us to offer this new feature of our program: *Online Private English Sessions* for our students in our Levels 5 & 6.

Students will meet with their English teachers once per month for 20 minutes to discuss their submitted rough-draft writing assignments and receive personal feedback from the teacher on their writing. Student will be expected to take notes during the session, to take the teachers' suggestions, and to make the appropriate changes on their final drafts.

All sessions will be scheduled on the day of the week mentioned on the schedule; this is a separate day/time than the regular schedule.

PLEASE NOTE THAT YOUR CHILD WILL NOT MEET WITH THE TEACHER EVERY WEEK, BUT ONCE FOR MONTH FOR A 20-MINUTE SESSION.

The schedule mentions the timeframes when the teacher will be running the individual sessions. Students will meet for one of these sessions for 20 minutes on the day every four weeks (approximately). Students will receive their individual time slot ahead of time.

All private sessions will be ONLINE whether or not your child regularly meets in person*

*For Saturday (in-person) sections, the teacher may make the exception to meet in person since the student is already in the building for the class.

*Any session missed by the student will not be accommodated.

*Students/Parents will be given the schedule two weeks ahead of time in order to sign up their child. Students/Parents may be able to switch with other students using sign-up genius, but Curie Learning staff members will not be able to accommodate patrons for missed or

How to Read the Schedule:

This is the day that students will have their weekly math and English classes with the teachers (in groups).

Private English Sessions (see above for details):

Your child will meet once per month for a 20-minute session with the teacher to review his or her writing assignments.

All sessions will be scheduled within the month during this day/time-frame. The schedule will be released to students ahead of time via Google Classroom. Students will need to sign up for their individual time slot.

ONLY ONE TIME SLOT WILL BE RESERVED PER STUDENT APPROXIMATELY EVERY MONTH. SHORTER MONTHS MAY BE SKIPPED ACCORDING TO THE SCHEDULE.

*If this is not mentioned, that particular level does not have the private sessions, only the weekly group classes.

Wednesday [Monday for monthly private English meetings] **IN-PERSON: Ashburn Center**

*****MINIMUM CAP SIZE: 8 students ; MAXIMUM CAP SIZE: 15 students*****
