
AP Statistics

Mr. Benjamin Natelson

*Mr. Natelson is currently a high school math teacher and is an experienced mathematics teacher of 15 years.

This **six-week** course is intended to prepare students for taking the AP Statistics course in the coming academic year. Preparing for a AP course is a great idea not only for getting a high grade in the course, but also for scoring well in the AP Exam at the end of academic year. Many colleges require an AP Exam score of at least 4 to transfer the course for college credit.

Topics include:

Exploring One-Variable and Two-variable Data, Collecting Data, Probability, Random Variables, and Probability Distributions, Sampling Distributions, Inference for Categorical Data: Proportions, Inference for Quantitative Data: Means and Chi-Square.
