CIRCUS OF MAYHEM

PHOENIX, ARIZONA HARD ROCK

Circus of Mayhem is a Phoenix-based hard rock band built for the live stage. Blending the guitar-driven attitude of classic rock, '80s Sunset Strip hard rock and '90s metal with a dose of punk energy, the band delivers original rock and roll with big riffs, memorable hooks and a high-energy live show.

Backed by decades of combined experience, Circus of Mayhem brings a professional attitude, dependable production and the same level of commitment whether playing a local club or a major stage.

The band has shared bills with national acts including Marilyn Manson, Powerman 5000, Gus G, Green Jellö and Krash Karma, with performances at venues including the Whisky A Go Go in Hollywood, the Marquee Theatre in Tempe and Backstage Bar & Billiards in Las Vegas.
