What Instructional Growth Offers

Needs Assessments and Plans

Instructional Growth facilitates **Actionable Goal Setting** and **Accountability Plans**. One Plan support includes alignment of goals, surveys, walkthroughs and staff support.

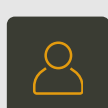

Customized Professional Development

A culture of true ownership includes **differentiated support** designed to meet teachers wherever they are. Instructional Growth offers **strategic planning and coaching** tailored to individual district needs.

MTSS Framework

MTSS framework development and professional development **promotes effectiveness and efficiency in all tiers**. This includes simplifying tier one, building small groups and interventions based on data and aligning tiered intervention plans and literacy plans to your MTSS framework.

Leadership Support

Short and long-term planning and support is provided with administrative consulting, instructional coaching seminars and customized plans and resources for BLTs, PLCs, TBTs – including complete agendas and staff meeting guides. New staff support systems and surveys are also available.

Simplify Your Work

Known for practical insight and a dynamic style, Carri helps remove distractions and focus on what actually moves your school forward. **You will transform complex initiatives into clear steps!**
