Service Types:

We set up a self-service buffet with our staff available to maintain the buffet and beverages during your event. Plated meal service is available for an additional charge.

Service Times:

Our service time is four hours which includes arrival to the venue one hour prior to your ceremony time. If you plan for your event to run longer, there is an additional charge starting at \$100 per hour depending on the size of your event.

Deposits and Final Payment:

A 25% deposit and signed contract is required to book and secure your date. The deposit is non-refundable, but can be used toward another event within a year. The deposit will be deducted from your final invoice. Final guest count and payment is due two weeks prior to your event.

Payment Options:

Check (in person or by mail to: PO Box 1112, Marion, NC 28752)
Credit Card by phone
Online through Venmo @Countryside-Catering

Guest Counts and Leftover Food:

The final guest count is due to us two weeks prior to your event. The final guest count is the number that we prepare food for. You may increase this count up to 3 days prior to the event, but you cannot decrease it, as our preparation and purchasing or procuring food has already begun.

It is our policy that any leftover food will not be left after the event. We will leave or pack leftovers that are safe to consume if the client requests beforehand. The client will assume full responsibility for any liability as a result from consuming leftover food after the event.
