690 Hours Massage Therapy Program

Massage Licensed and Teaching Certification

Thai-Issan Massage Academy curriculums has been approved by the State of Hawaii Department of Education and the State of Hawaii Professional and Vocational Licensing Division, Department of Commerce and Consumer Affairs (DCCA) Board of Massage Therapy since 2015. Our staff are professional licensed massage instructors and certified to teach massage therapy with many years of experiences and expertise.

We offer a **690 hours Massage Therapy program** that consists of: (50 hours) Anatomy, Physiology, and Structural Kinesiology. (100 hours) Theory and demonstration (420 hours) Practical Training and (120 hours) Advance training. Our program includes hands on training in Swedish massage, Western Sport and Medical massage, Eastern Chinese (Acupressure) and Japanese (Shiatsu), Hawaiian (Lomi Lomi), Foot Reflexology, Chair Massage and we specialized in Traditional Thai Yoga Massage, Deep Tissue, and Hot stone Massage.

Here at Thai-Issan Massage Academy, Our mission is to teach our students the best of what Massage Therapy has to offer with a "Touch of Thailand" and maximize your full potential. To live a happy and healthy lifestyle with a rewarding career.

Through our successful program after completion, you are able to take the State of Hawaii exam for (MBLEX) and become a license massage therapist.
