Company and Logo

Since 2017

1

Infinity: The Tool of Transformation

Reflects Agricraft's long-term vision to foster sustainable, ongoing transformation.

2

Creeper & Leaves: Connection and Harmony

Symbolizes nature's gentle resilience and interconnectedness.

3

Shovel: The Tool of Transformation

Represents action, effort, and the readiness to cultivate change.

4

Water Can: Nourishment and Compassion

Reflects Agricraft's commitment to mindful growth- plant by plant, person by person.

5

Garden Rake: Balance and Renewal

Symbolizes harmony between chaos and order- both in gardens and within ourselves.

Welcome Message

We're delighted to welcome you to the world of Agricraft- a vibrant ecosystem rooted in agricultural excellence, sustainable living, and creative transformation.

At Agricraft, seasoned professionals from Soil Science to Electrical circuits, Landscape artistry to Rural tourism - Agricraft's team is a harmonious blend of agricultural experts, horticulturists, engineers, food technologists, and agro-tourism pioneers. Together, we cultivate ideas and develop sustainable solutions that nourish both nature and the community.

Whether you're a farmer seeking guidance, a curious learner, a nature lover, or a visionary entrepreneur, Agricraft is here to connect you to authentic plant varieties, innovative landscaping, expert training, and immersive agro-tourism experiences.

At Agricraft, we don't just grow plants - we grow purpose, possibilities, and a greener tomorrow. Together, let's bridge the gap between people and the planet, and cultivate a future filled with growth, gratitude, and thriving environment.

Dr. Vaibhavv Gupta

Agricraft's Vision Statement

We envision Agricraft as a catalyst for agricultural transformation, where every plant tells a story of sustainability, growth, and hope. Our goal is to:

- Foster youth engagement in agriculture as a path of innovation and pride.
- Preserve and distribute true-type species of plants while promoting biodiversity.
- Create green jobs and support rural economies through Agro-Tourism.
- Offer immersive village life experiences that connect people back to nature.
- Emerge as a trusted hub for agricultural learning, landscape design, and eco-conscious living.

Agricraft's Mission Statement

At Agricraft, our mission is to cultivate a greener planet by inspiring India's youth and empowering farmers to embrace agriculture as a meaningful and sustainable career. We aim to build a bridge between people and the environment - offering authentic plant varieties at accessible prices, generating employment, and preserving the originality of our flora. Through education, innovation, and community-driven initiatives, we're committed to nurturing a culture that values the land and those who care for it.
