Vocationalisation of Secondary Education

Home (/) » Overview » Vocationalisation of Secondary Education

Overview

The Centrally Sponsored Scheme of Vocationalisation of Secondary Education provides for diversification of educational opportunities so as to enhance individual employability, reduce the mismatch between demand and supply of skilled manpower and provides an alternative for those pursuing higher education.

The Centrally Sponsored Scheme of Vocationalisation of Secondary Education at + 2 level is being implemented since 1988. The revised scheme is in operation since 1992-93. The Scheme provides for financial assistance to the States to set up administrative structure, area vocational surveys, preparation of curriculum, text book, work book curriculum guides, training manual, teacher training programme, strengthening technical support system for research and development, training and evaluation etc. It also provides financial assistance to NGOs and voluntary organizations towards implementation of specific innovative projects for conducting short-term courses.

The Scheme, so far, has created infrastructure of 21000 sections in 9619 schools and creating a capacity of about 10 lakh students at + 2 level. The grants released so far since the inception of the scheme is Rs. 765 crore.

Based on the recommendations of various Committees/Review Groups, the existing Scheme is being revised

National Vocational Education Qualification Framework (NVEQF)

The process of development of a National Vocational Education Qualifications Framework (NVEQF) is presently underway. The NVEQF would set common principles and guidelines for a nationally recognized qualification system, covering schools, vocational education institutes and institutes of higher education with qualifications ranging from secondary to doctorate level, leading to international recognition of national standards. Students would have the scope for vertical and horizontal mobility with multiple entry and exits. This would be especially useful to promote the creative genius of every child including children with special needs. The corner stone of the NVEQF would be the close partnership and collaboration with the industry/ potential employers at all stages starting from identification of courses, content development, training and provision of resource persons, assessment, accreditation, certification and placement. Extensive consultations with the State Govts have been carried out. A group of State Education Ministers from 12 States has been constituted to prepare the NVEQF. The working document on NVEQF prepared by a Coordination Committee was presented to the Group of State Education Ministers on 30th May 2011. Detailed discussions were held on the issues and concerns from the perspective of the States. Further consultations are continuing to prepare a roadmap for implementation of the NVEQF. There was unanimous endorsement of the Framework being developed by the Central Advisory Board of Education (CABE) in the 58th meeting held on 7th June 2011.

1. Centrally Sponsored Scheme of Vocationalisation of Secondary Education

The Centrally Sponsored Scheme of Vocationalisation of Secondary Education was launched in year 1988. The Scheme was implemented through State/UTs and NGOs /VA in the formal and non-formal sector respectively. The Scheme envisaged selection of vocational courses on the basis of assessment of manpower needs. The main objectives of the scheme, as spelt out in the National Policy on Education 1986, were to provide diversification of educational opportunities so as to enhance individual employability, reduce the mismatch between demand and supply of skilled manpower and to provide an alternative for those pursuing higher education. Vocational Education was made a distinct stream intended to prepare students for identified occupations spanning several areas of activities.

The Scheme provides broad guidelines in respect of management structure, curriculum design, infrastructure development, vocational surveys, instructional material, teachers and their training, school-industry linkage, examination and certification, modification of recruitment rules, financial assistance to NGOs and other aspects. Since inception of the scheme, 9,619 schools with about 21,000 sections have been created with an intake capacity of about 10.03 lakhs students. About 150 vocational courses were being offered. According to the evaluation conducted by Operations Research Group (1996) the proportionate share of vocational students vis-a-vis total enrolment at the higher secondary stage was 4.8% and 28% of vocational pass outs were employed/self employed. Rs. 765.00 crore has been released to the State Governments and Non-Government Organizations. During 10th Plan an allocation of Rs. 350.00 crore was given under the scheme. An expenditure of Rs. 63.69 crore was incurred during 10th Plan Period.

The existing scheme is presently under revision to address the issue of enhancement of employability of youth through competency based modular vocational courses, to maintain their competitiveness through provision of multi entry and multi exit learning opportunities and vertical mobility /interchangeability in qualifications, to fill the gap between educated and employable and to decrease the pressure on academic higher education.

2. Central Board of Secondary Education (CBSE)

CBSE is offering 34 Vocational courses consisting of 107 subject in its about 500 government and government aided schools across the country. During the academic session 2007 - 08, Financial Market Management was introduced as vocational package in class 11. CBSE launched three new vocational courses, namely, "Hospitality and Tourism," "Mass Media Studies & Media Production" and "Geospatial Technology" from the academic session 2010-11. CBSE is making efforts to introduce more such courses in collaboration with relevant industry/organization, and has facilities for joint certification.

3. National Institute of Open Schooling (NIOS)

NIOS offers 82 vocational education courses through its accredited vocational Institutes which include Government Institutes, NGOs and Registered Societies. 1063 Accredited Vocational Institute (AVI) provide training to neo literates upto pre-degree level. NIOS.

4. Sub-Mission on Polytechnics

Under the scheme, it is proposed to establish 1000 Polytechnics in the country, the breakup of which is as under:

- ▶ 300 Polytechnics to be set up by the State governments/Union Territories with assistance from government of India in unserved areas (district).
- ▶ 300 Polytechnics to be set up through Public Private Partnership by the State Governments/Union Territories. These 300 polytechnics will be selected in consultation with State Governments/Union Territories, various industrial organization such as CII, FICCI, ASSOCHAM and PHD Chamber of Commerce, etc.
- ▶ It is proposed to facilitate the creation of 400 additional Polytechnics by the private sector.

4.1 Establishment of New Polytechnics

Under the scheme, it is proposed to establish 1000 Polytechnics in the country, the breakup of which is as under:

- ▶ 300 Polytechnics to be set up by the State governments/Union Territories with assistance from government of India in unserved areas (district).
- ▶ 300 Polytechnics to be set up through Public Private Partnership by the State Governments/Union Territories. These 300 polytechnics will be selected in consultation with State Governments/Union Territories, various industrial organization such as CII, FICCI, ASSOCHAM and PHD Chamber of Commerce, etc.
- ▶ It is proposed to facilitate the creation of 400 additional Polytechnics by the private sector.

4.2 Strengthening of Existing Polytechnics

It is proposed to upgrade infrastructure of existing diploma level, public funded Polytechnics by

- ▶ Providing financial assistance for modern equipment and replacement of obsolete equipments
- ▶ Providing modern facilities for application of IT in teaching, learning and testing processes and
- ▶ Creating infrastructure facilities as well as introduction of new diploma courses.

4.3 Construction of Women's Hostel in Polytechnics

In order to attract women in Polytechnic education, it is proposed to provide one time financial assistance for the construction of women's hostel in 500 Polytechnics.

4.4 Community Polytechnics

Selected AICTE approved polytechnics run vocational programmes in the local area for community development under the Community Development Through Polytechnics (CDTP) scheme, Each Polytechnic runs short-term non-formal skill development programmes through 5 -10 extension centres in nearby villages. Each Polytechnic provides training to about 600 persons every year in various skill/employment oriented trades ranging from 3 to 6 months. There is no age and qualification bar for trainees under the scheme and no fees is charged. 703 Polytechnics have been selected for implementing the scheme out of which 479 Polytechnics were provided financial assistance during 2009-10.

6. Craftsmen training in ITIs

DGE&T in Ministry of Labour & Employment conducts vocational training courses through 8,306 ITIs/ITCs (2140 Government ITIs & 6166 Pvt. ITCs) in 114 trades for school leavers. Duration of training courses varies from 6 months to 3 years and students with Classes 8 to 12 pass qualification can seek admission in these courses. The responsibility of opening of the ITIs and introduction of trades in ITIs rests with the respective State Governments. Efforts are made to update/revise curricula of courses offered by DGE&T regularly in consultation with the industry and State/UT Government to ensure that training is aligned to market needs & employment oriented. Each upgraded ITI covered under the above scheme would cater to the need of one Industrial Sector with active involvement of concerned Industry in all aspects of training.

Vocationalisation of Secondary Education

Home (/) » Overview » Vocationalisation of Secondary Education

Overview

The Centrally Sponsored Scheme of Vocationalisation of Secondary Education provides for diversification of educational opportunities so as to enhance individual employability, reduce the mismatch between demand and supply of skilled manpower and provides an alternative for those pursuing higher education.

The Centrally Sponsored Scheme of Vocationalisation of Secondary Education at + 2 level is being implemented since 1988. The revised scheme is in operation since 1992-93. The Scheme provides for financial assistance to the States to set up administrative structure, area vocational surveys, preparation of curriculum, text book, work book curriculum guides, training manual, teacher training programme, strengthening technical support system for research and development, training and evaluation etc. It also provides financial assistance to NGOs and voluntary organizations towards implementation of specific innovative projects for conducting short-term courses.

The Scheme, so far, has created infrastructure of 21000 sections in 9619 schools and creating a capacity of about 10 lakh students at + 2 level. The grants released so far since the inception of the scheme is Rs. 765 crore.

Based on the recommendations of various Committees/Review Groups, the existing Scheme is being revised

National Vocational Education Qualification Framework (NVEQF)

The process of development of a National Vocational Education Qualifications Framework (NVEQF) is presently underway. The NVEQF would set common principles and guidelines for a nationally recognized qualification system, covering schools, vocational education institutes and institutes of higher education with qualifications ranging from secondary to doctorate level, leading to international recognition of national standards. Students would have the scope for vertical and horizontal mobility with multiple entry and exits. This would be especially useful to promote the creative genius of every child including children with special needs. The corner stone of the NVEQF would be the close partnership and collaboration with the industry/ potential employers at all stages starting from identification of courses, content development, training and provision of resource persons, assessment, accreditation, certification and placement. Extensive consultations with the State Govts have been carried out. A group of State Education Ministers from 12 States has been constituted to prepare the NVEQF. The working document on NVEQF prepared by a Coordination Committee was presented to the Group of State Education Ministers on 30th May 2011. Detailed discussions were held on the issues and concerns from the perspective of the States. Further consultations are continuing to prepare a roadmap for implementation of the NVEQF. There was unanimous endorsement of the Framework being developed by the Central Advisory Board of Education (CABE) in the 58th meeting held on 7th June 2011.

1. Centrally Sponsored Scheme of Vocationalisation of Secondary Education

The Centrally Sponsored Scheme of Vocationalisation of Secondary Education was launched in year 1988. The Scheme was implemented through State/UTs and NGOs /VA in the formal and non-formal sector respectively. The Scheme envisaged selection of vocational courses on the basis of assessment of manpower needs. The main objectives of the scheme, as spelt out in the National Policy on Education 1986, were to provide diversification of educational opportunities so as to enhance individual employability, reduce the mismatch between demand and supply of skilled manpower and to provide an alternative for those pursuing higher education. Vocational Education was made a distinct stream intended to prepare students for identified occupations spanning several areas of activities.

The Scheme provides broad guidelines in respect of management structure, curriculum design, infrastructure development, vocational surveys, instructional material, teachers and their training, school-industry linkage, examination and certification, modification of recruitment rules, financial assistance to NGOs and other aspects. Since inception of the scheme, 9,619 schools with about 21,000 sections have been created with an intake capacity of about 10.03 lakhs students. About 150 vocational courses were being offered. According to the evaluation conducted by Operations Research Group (1996) the proportionate share of vocational students vis-a-vis total enrolment at the higher secondary stage was 4.8% and 28% of vocational pass outs were employed/self employed. Rs. 765.00 crore has been released to the State Governments and Non-Government Organizations. During 10th Plan an allocation of Rs. 350.00 crore was given under the scheme. An expenditure of Rs. 63.69 crore was incurred during 10th Plan Period.

The existing scheme is presently under revision to address the issue of enhancement of employability of youth through competency based modular vocational courses, to maintain their competitiveness through provision of multi entry and multi exit learning opportunities and vertical mobility/interchangeability in qualifications, to fill the gap between educated and employable and to decrease the pressure on academic higher education.

2. Central Board of Secondary Education (CBSE)

CBSE is offering 34 Vocational courses consisting of 107 subject in its about 500 government and government aided schools across the country. During the academic session 2007 - 08, Financial Market Management was introduced as vocational package in class 11. CBSE launched three new vocational courses, namely, "Hospitality and Tourism," "Mass Media Studies & Media Production" and "Geospatial Technology" from the academic session 2010-11. CBSE is making efforts to introduce more such courses in collaboration with relevant industry/organization, and has facilities for joint certification.

3. National Institute of Open Schooling (NIOS)

NIOS offers 82 vocational education courses through its accredited vocational Institutes which include Government Institutes, NGOs and Registered Societies. 1063 Accredited Vocational Institute (AVI) provide training to neo literates upto pre-degree level. NIOS.
