

The Extra Special Touch Bakery

Wedding cake pre-questionnaire

Please take a few minutes to fill out this questionnaire and email it back to me ahead of time.

Your initial consultation will be a sampling of four of my most popular cake & cheesecake styles/flavors that gives a good sampling of what I have to offer.

If you have specific flavors you'd like to try and there's enough time before your consultation, I will do my best to get a sample for you. We'll also look at designs and then given your choices, get you a quote.

The cost for your consultation is \$20, prepaid, which can be done by going to my website "wedding cake info" page. If you decide to book with my bakery at the consultation, the full consultation fee \$20 will be applied to the cost of a cake over \$300. \$10 will be applied if less than \$300. If you book at a later date, then half of the consultation fee will be applied.

I thank you for considering my bakery and I look forward to being your wedding cake creator!
