Terms & Conditions

Estimates are valid for 30 days after date of issue. By signing above I authorize Arizona Artificial Lawns (AAL) to install, on my property, the synthetic grass and / or provide services as listed. I agree to pay for said installation and / or services in accordance with AAL payment terms. Orders cancelled with 48 hours prior to installation will be charged a restocking fee for any cuts.

The customer will be responsible for installing window treatments to protect against reflective lighting damage prior to installation of the artificial grass. Reflective lighting damage is not covered by the AAL product warranty. Invasive vegetation such as, but not limited to, nut grass, nutsedge, and roots may require ongoing maintenance from the property owner. Even with preventative measures, AAL cannot guarantee no regrowth occurs.

For turf only purchases, returns of turf will be the sole discretion of AAL if the product has been cut or damaged in any way.
