

**Complimentary Consultation.....Free**

Before booking any of our treatments we offer a complimentary consultation with our specialist to over any goals and/or expectations you may have. This is also a great opportunity for first time clients to meet up and get any worry out of the way.

**Lip Flip..... \$12 per unit**

This treatment is great for patients that have a disappearing top lip when they smile. Tox is injected into the lip to relax the muscle that goes around the mouth to allow the top lip to show when smiling.

**Forehead Lines ..... \$12 per unit**

This treatment helps prevent or treat the wrinkles and lines of your forehead, creating a smoother and more youthful look.

**Bunny Lines ..... \$12 per unit**

Bunny lines are the nickname for the wrinkles you get when scrunching your nose like a bunny. With a small dose of Botox, those wrinkles will fade and leave behind smooth and beautiful skin.

**Crow Feet..... \$12 per unit**

Crows feet are the lines outside the corner of the eye. A few units of Botox will smooth out those lines giving you a more youthful appearance.

**Brow Lift..... \$12 per unit**

A brow lift is achieved by injecting Botox around the hairline to lift your eyebrows up. This will give you a more youthful and awake appearance.

**Masseter (TMJ)..... \$12 per unit**

Botox is injected into the masseter muscle to help you stop clenching your jaw and/or grinding your teeth. The Botox relaxes the masseter muscle which results in improved TMJ symptoms. Some clients also notice a slimmer face after injecting the Masseter muscle.

**Custom Treatment..... \$12 per unit**

This is a completely customizable treatments to allow our consumers to get the best results possible. Before the treatment you will get receive a complimentary consultation with our specialist to over your goals and expectations.

## FILLER

### **Complimentary Consultation..... Consultation Free**

Before booking any of our treatments we offer a complimentary consultation with our specialist to over any goals and/or expectations you may have. This is also a great opportunity for first time clients to meet up and get any worry out of the way.

### **Lip Filler..... \$650**

An injection into the lips to give you fuller, plumper lips. Whether you want a little more volume or fuller look.

### **Cheek Filler ..... \$650**

Filler is used to lift and contour the cheeks. Filler is injected above and around your cheekbone. This provides the illusion of a more defined bone structure.

### **Jawline Filler..... \$650**

Filler in the jawline adds definition giving your face a nice contour which makes the face appear slimmer.

### **Smile Lines ..... \$625**

Filler is used to soften the appearance of the nasolabial folds, or smile/laugh lines. It is injected along the crease from the nose to the side of the mouth.
