The Speakeasy Murder & Other Acts of Prohibition Launches Summer Season at Pirates Dinner Adventure

ORLANDO, FL – April 17, 2025 – GE Murder Media, LLC, a Florida-based theatrical production company, is proud to announce the summer season launch of The Speakeasy Murder & Other Acts of Prohibition, now performing at the Pirates Dinner Adventure Entertainment Complex—one of Orlando's most iconic live-entertainment destinations.

This marks the Central Florida debut of the immersive 1920s-themed murder mystery and its new long-term home within the Pirates Dinner Adventure complex. The collaboration brings together two seasoned entertainment producers just in time for the summer travel season, introducing a bold, interactive theatrical experience to a new audience.

With more than 30 years of experience producing live entertainment in Orlando, Pirates Dinner Adventure is renowned for its high production standards, guest satisfaction, and operational excellence. That expertise pairs seamlessly with the creative vision of The Speakeasy Murder co-creators Erik Hastings and Gary Littman—both veterans of Broadway and broadcast media.

"Pirates Dinner Adventure provides the perfect home for our show," said Erik Hastings, co-creator of The Speakeasy Murder. "Their production values, attention to detail, and commitment to guest experience exceeded our expectations."

Audiences can expect an unforgettable evening of immersive storytelling, live music, delicious dining options, and a twist ending determined by the audience itself. Set inside a secret 1920s speakeasy, the production blends vintage glamour with modern theatrical surprise and suspense.

Performances will run throughout the summer at Teatro Martini, located on Carrier Drive within the Pirates Dinner Adventure Entertainment Complex. Tickets are now on sale, with group bookings and special event packages available for a limited time.
