What is *The Speakeasy Murder & Other Acts of Prohibition*?

The Speakeasy Murder & Other Acts of Prohibition is an original, interactive murder mystery dinner show set in a New York City 1920s speakeasy. Blending music, comedy, suspense, and audience participation, this one-of-a-kind theatrical event immerses guests in a world of gangsters, flappers, and secrets—where *you* help decide how the story ends.

Where is it performed?

The show is staged at the atmospheric Teatro Martini in Orlando, Florida—located next to The Pirates Dinner Adventure just off of International Drive. The venue has been transformed into a vintage supper club for each performance. All seating is general admission.

How can I purchase tickets?

Tickets can be purchased online at <http://www.speakeasymurder.com/tickets> or over the phone by calling the box office at 407-319-2464

How is the show interactive?

Audience members are invited to participate as much or as little as they like—interrogating suspects, uncovering clues, and casting a vote that determines the show's ending. No two performances are ever the same. The audience feels like they are a part of the show without the anxiety of forced participation.

Food & Beverage purchases are optional.

Guests can choose from several dining options, including a three-course, prix fixe meal (with advanced reservation) or items from our menu (light bites - hot and cold appetizers) and a full bar are available for purchase.

Who produces the show?

The production is created and produced by ETG Media LLC, an Orlando-based entertainment company led by Broadway producer Gary Littman and veteran media personality Erik “The Travel Guy” Hastings.

**How long is the show?**

Approximately 2 hours, including cocktail service and the interactive performance. Doors open 30 minutes prior to curtain. All ticket holders have access to Jewel before and after the performance (our private club for music, and casino games such as craps, roulette and blackjack).

Who is it for?

The show is ideal for locals, visitors, date nights, corporate events, and group outings. While the show is designed for adults, teens 13+ are welcome with a parent or guardian. Children eight and under are only permitted with advanced approval.

What sets this apart from other dinner shows?

Unlike traditional dinner theatre, *The Speakeasy Murder* combines historical storytelling with improvisational elements and audience-driven plot twists. The show features music, mayhem and era-authentic costumes, making it a feast for all senses. It's a different show every night because however the audience votes, that's how our story ends.

When are performances?

The limited run begins June 8, 2025 and continues through August 27, 2025, with multiple shows per week and special group pricing available.
