THE SUMMIT STORY

Heritage & Expertise	178	The Summit Team	184
----------------------	-----	-----------------	-----

Piano

Inspiring spaces

Piano - modular soft seating range

Perfect for reception areas, relaxed meeting spaces or creatively constructed public areas, Piano is a versatile modular soft seating master. Built for comfort and durability, with solid beech wood frames and sprung seats, the many components in the range can be used to create an infinite number of configurations.

Inspiring craftsmanship

Aura

Aura chair

Introducing the beautiful Aura chair. A statement reception chair with sleek lines and a sophisticated presence. Offering a smart alternative for a boardroom chair or a breakout area, Aura will set the tone.

With three base options, Aura lends itself to both commercial and hospitality settings.

Nata

Nata chair

Introducing our beautifully simple Nata range of polypropylene chairs.

Sophisticated, sleek lines, combined with strong steel frames make this collection a great choice for breakout, hospitality, education and healthcare settings.

Available in either four leg or sled base options, choose from six colour shells as well as aluminium, white or black powder coated frames.

Portofino

Inspiring moments

Portofino chair

Meet Portofino, our beautiful new lounge chair.

With a soft silhouette, Portofino adds to our portfolio of lounge chairs, equally comfortable in a hotel lobby, breakout space, office or lounge area. Crisp lines with our meticulous upholstery offers a gorgeous shape from every angle.

Ovair Visitor

The Ovair Visitor combines functionality with a clean, modern aesthetic that prioritizes ergonomics and practicality, ideal for workspaces or extended use.

A fully upholstered contoured seat and backrest create a welcoming feel, while the black metal cantilever base delivers stability with a sleek, minimalist finish. The chair’s design ensures comfort for long hours of use, making it both stylish and functional.

Features

- Fully upholstered
- Cantilever base
- Mesh back

Soft arm pads	£24

Como

Meet the Como. With soft curves this range exudes quiet luxury yet offers everyday comfort.

The Como is designed to bring warmth sophistication to any space featuring a sculptural silhouette with gently rounded arms and a deep, inviting seat that encourages you to settle in and stay a while.

With a standard black laquered frame base which sits on an angle, Como offers a design led soft seating option which will elevate any space.

Olbia

The Olbia chair is a harmonious blend of elegance and inspiration, drawing its soul from the curves and fluidity of modern design to offer an oversize lounge chair with a calming, comfy vibe.

Whether placed in a sunlit corner in the office waiting area, a coastal hotel retreat, or a bustling urban space, the Olbia chair brings a touch of the Mediterranean’s serene allure into any setting. Crafted for comfort, it’s not just a chair, it’s an invitation to slow down, breathe, and embrace the timeless charm of Olbia.

Features

Olbia is available in two base options

4-Star swivel base

Skid base

Optional

Non-standard frame colour options, see pages 170 - 171

All steel frames available in all RAL colours. (additional costs apply)

Trilogy

Introducing our Trilogy modular sofa.

Trilogy is built around a unique core concept: a universal, angled footprint. This allows the creation of a wide variety of layout configurations from a small number of units i.e. 3 seats and 1 table.

Trilogy has been engineered to deliver high levels of comfort while remaining durable enough for the most demanding contract environments. The upholstery structure utilises only plywood and solid timber, supported throughout by a fully-welded steel framework that will not break or buckle.

Features

Three upholstered modules giving multi configurations

Steel tubular powder coated frame

Fully upholstered

Notes

Upholstery - any fabric of your choice, see pages 172 - 175

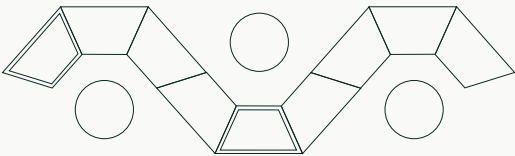

Optional

Table options available
Non-standard frame colour options, see pages 170 - 171

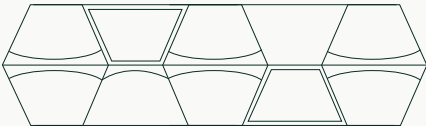

All steel frames available in all RAL colours. (additional costs apply)

Piano

Perfect for reception areas, relaxed meeting spaces or creatively constructed public areas, Piano is a versatile modular soft seating system. Built for comfort and durability, with solid beech wood frames and sprung seats, its many components can be used to create an infinite number of configurations.

Features

- Compatible with Grand Piano range
- Tables available to create 2/4/6 person booths
- White writing tablet fitted to LH or RH arm
- Multiple configurations – [see below](#)

Notes

- Optional skid legs, polished beech feet or castors
- Upholstery – any fabric of your choice, see pages 172 – 175

Optional

- Linking and power module options
- Non-standard frame colour options, see pages 170 – 171

All steel frames available in all RAL colours. (additional costs apply)

Industrial

Equip your production, education and laboratory environments with hard-wearing, hard-working seating. Perfect for sterile environments, our industrial range features heavy duty PU seats and backs or round upholstered stools. All designed for easy cleaning and sanitisation. What’s more, we’ve equipped all chairs with an Operator mechanism, stable five-legged spider base and grip to aid transition between workstations.

Features

Heavy duty black PU seats & backs or upholstered stools

Optional height adjustable footring, high gas lift and glides

Chairs with back utilise our Operator mechanism

Westwood

Our Westwood range offers a highly polished beech frame alongside an anti-bacterial lacquer coating, which is proven to kill 99.9% of most bacteria over a 24-hour period. A perfect choice, therefore, for healthcare and education settings. In addition, the Westwood is equally at home in lounge, meeting and conference environments, providing a reliable and robust seating solution.

Features

Frames are coated in an antibacterial lacquer (BS6250 standard for severe use, having FDA and HSE approval for indirect or incidental food contact and found to kill 99.9% of most bacteria over a 24 hr period – salmonella, listeria, E. coli and MRSA.)

Cyrus /Cyrus Bariatric

Put our indestructible seating to the test in healthcare and other heavy-use settings. However, that doesn’t mean your visitors won’t find them comfortable. The deeply contoured seat and tapered back, make Cyrus easy to sink down into, while the option of additional height in the frame and solid beech arms will help those who are less mobile to get up out of them again.

Features

Solid beech arms polished with anti-bacterial lacquer

Oversized rectangular steel tube and extra deep contoured foam

Polished beech frame

15 – year frame guarantee

Available as Cyrus Bariatric version (BS 6250 standard for severe use, having FDA and HSE approval for indirect or incidental food contact and found to kill 99.9% of most bacteria over a 24 hr period – salmonella, listeria, E. coli and MRSA.)

Optional

Additional frame height

Non-standard frame colour options, see pages 170 – 171

All steel frames available in all RAL colours. (additional costs apply)

Beam

Beam boasts a heavy-gauge tube with welded joints for strength and a 15-year frame guarantee for peace of mind, as well as T-shaped legs with holes for floor fixing. But while safety and longevity are important, we know it's not all about that. In this range, you'll find fully upholstered, ergonomically shaped seats and backs occupying up to five positions along a beam, with tables fitted in place and arms in between, wherever you wish.

Features

- Heavy-gauge tube with fully welded joints
- 15-year frame guarantee
- Floor plate drilled for fixing

Optional

- Optional soft P.U. arm pads
- Non-standard frame colour options, see pages 170 - 171

All steel frames available in all RAL colours. (additional costs apply)

Additional Information

To assist with product selection, the following pages provide supporting information on aspects such as:
fabric choices, colour options, seating mechanisms and electrical features.

Electrics

As workspace culture evolves, the need to facilitate the seamless use of mobile devices from the comfort of our seating is an absolute given. Connections for power, charging and presentations, unobtrusively and conveniently positioned, enable individuals or groups to find comfortable, private or communal places to work. To this end, throughout a number of our ranges we offer optional power modules. As befits the quality of our furniture, the power modules we offer come from the recognised leaders in this field. UK company, Sourcetec are experts in designing and manufacturing power and data distribution solutions. They have been designing their own products in the UK for many years. Their products can be found in use all over the world in environments as diverse as industrial, commercial, retail, hospitality, education, healthcare and even home.

Notes

Media Units – VDU screens and screen mounting brackets. We do not supply or fit VDU screens or screen mounting brackets. The front panel of our media units is constructed from a 9mm ply board. This facilitates the easy and secure fixing of a screen mounting bracket by the use of suitably sized, self-tapping wood screws. To avoid snagging the fabric we recommend that the hole positions are marked and then a small cut is made in the fabric before the screw is driven in.	
For ease of choice When specifying our upholstered seating and booth products, we offer from stock 3 elegantly designed, Sourcetec power modules. Each module integrates seamlessly within the upholstery design. They come with a detachable, 3m trailing mains lead with a 13 amp, UK 3 pin plug. If you have a power module requirement not met by our stock offering then please speak to us and we will be able to offer solutions from the wider Sourcetec range.	

ION

Features

The ION was developed in response to a need for a sleek and minimal in-desk module to suit the style of today’s contemporary desking and workspace environment. It has a standard UK 13 amp power socket plus 2 USB fast charging sockets, type-A and type-C.

NANO

Features

Nano is a stylish black cased tabletop mounted power module. It has a standard fused UK 13 amp power socket plus 2 USB fast charging sockets, type-A and type-C.

UNO A + C

Features

UNO A&C is a desktop mounted, multi-output module, ideal for multiple users. In black or white casing it clamps to the edge of a top and offers dual 13 amp sockets and dual USB fastcharge, A + C.

Seating Mechanisms

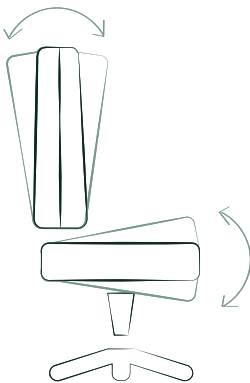

All of our task chairs are designed to provide exceptional levels of support and adjustability, to minimise health risks associated with sedentary working, and to promote good back care. To this end they are fitted with one of the following mechanisms, indicated at the top of the pricing column.

The appearance of the mechanism is representative only and may differ slightly according to mechanism type and chair range.

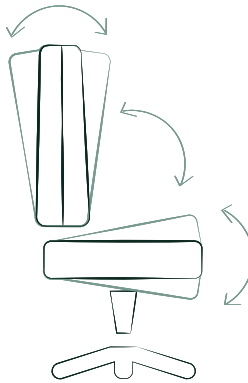

Operator

This mechanism has lever-operated, back angle adjustment that can be locked in any position or left unlocked to follow the user's movement in dynamic free float mode.

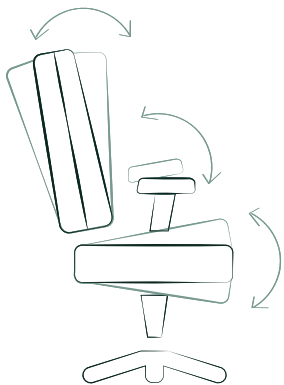

Operator Plus

Similar to the Operator mechanism but with additional lever-activated seat tilt adjustment. Where indicated, most Operator Plus mechanisms also include tension control to adjust for variation in user weight.

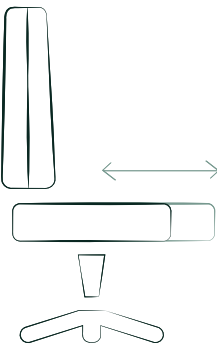

Operator Synchro

Back and seat recline together in a 2:1 ratio, can be locked in position or left in free-float mode to follow the user's dynamic movement. These chairs also have adjustable tension control.

Body Balance Synchro

Back and seat recline in a 3:1 ratio. They can be locked in position or left in free-float mode to follow the user's dynamic movement. The mechanism automatically adjusts to body weight for individually tailored support.

Seat Slider

A seat slider allows the horizontal adjustment of the seat, offering increased leg support when required. This function is beneficial when the chair is used by multiple users, to accommodate differing seat depth requirements.

Sundries

+£43

Brake loaded castors

Brake loaded castors in place of standard castors (per set of 5).

+£23

Soft wheeled castors

Soft wheel castors in place of standard castors (per set of 5).

FOC

Glides

Glides in place of standard castors.

+£67

Draughtsman Base

Draughtsman base, footring and gas lift in place of standard base and gas lift. We do not recommend the fitment of draughtsman base to any swivel chair that has a Synchro or Operator Plus mechanism.

+£32

High Gas Lift

Draughtsman gas lift (380mm casing) in place of standard gas lift. We recommend the use of base with glides, not castors, in combination with this gas lift. We do not recommend the fitment of draughtsman gas lift to any swivel chair that has a Synchro or Operator Plus mechanism.

£30

Mid. Height Gas Lift

Mid. height gas lift (290mm casing) in place of standard gas lift, supplied with glides.

Colour options - Steel frames

We have over 45 years’ experience in manufacturing and finishing tubular steel furniture frames.

We have a comprehensively equipped tube bending and welding facility and adjacent to this, a state of the art, epoxy powder coating plant. These combined assets bring lots of competitive benefits – bespoke frame variations, short lead times, multiple finish options. The epoxy finishes shown here are available across a large proportion of our steel framed furniture ranges. In addition to these stock colours we can offer a colour matching service. The price for this is on application.

Colour options - Steel frames - RAL

We are happy to offer all of our steel frame chairs in any of the RAL colour range.

Price will depend on colour chosen and will be quoted on request.

Fabric Guarantees and Suitability

All of the fabrics we use are covered by their manufacturer’s guarantees provided they are cared for in line with the manufacturer’s guidance. Choosing the best fabrics for soft seating, tailored (non-glued) and Task seating products can greatly enhance their appearance. Similar aesthetic characteristics can occur with the use of PVC, Faux leather and leather coverings.

For further guidance, please speak to our sales team.

Guarantees

All of our chairs and tables come with a 5 year structural guarantee, excluding fair wear and tear, and damage or failure caused by misuse. The tubular steel frames on the MeMe, Ultra, Saltford 19 & 25, Radstock, Cyrus, Cyrus Bariatric and Beam ranges and on the Skolar SK10 and SK10A chairs are structurally guaranteed for 15 years. The guarantee applies for use up to 8 hours a day by users up to 150kg. Manufacturers warranty applies to all fabrics and MFC tops. All exceptions to that standard, are listed in the table below:

Any chair that requires repair under the terms of our guarantee will be collected from and returned to the supplying dealer on our next available transport.

Product range or chair	Limits to intensity of use and user weight to maintain warranty cover
24hr All Day Task Chair	24/hour per day use by users up to 150Kg in weight
Cyrus Bariatric	24/hour per day use by users up to 350Kg in weight
Skolar SK10, SK10A, skid framed stacking chair	24/hour per day use by users up to 200Kg in weight
Gloucester G1 stacking chair	8 hour per day use by users up to 110Kg in weight
Scoot	8 hour per day use by users up to 110kg in weight

Gas Lifts

All of the swivel chairs in this guide are fitted with a gas lift for easy height adjustment. These are suitable for people up to 150kg in weight.

Ordering

Alterations or cancellations

All changes received after 24hrs will incur a discretionary charge based on where we are in production.

All cancellation after 24hrs will incur a full fee invoice.

All delivery date changes will be reviewed & accommodated where possible, however invoices will be issued on any original date

given unless agreement to move the date has been authorised by Summit Workspace Ltd.

To give accuracy a sporting chance, we only accept written orders. We'll acknowledge the order as soon as possible and request you check the acknowledgement thoroughly to ensure we've accurately interpreted your requirements. If not, please contact us immediately, as we usually start cutting within a day of receiving an order. Alterations or cancellations beyond 24hrs of receipt of order, will incur a charge, see below.

This guide has an image for each product along with a unique product code to ensure you know what you are ordering.

The appearance of the mechanisms on swivel chairs, pictured within this guide, are representative only and may differ slightly depending on the type of mechanism required.

Options for each product are listed within the RRP's, if any are required, please make that clear on your order.

Whilst we have made great efforts to ensure the price list includes accurate data, it may contain a number of errors or missing information. If you are in doubt, please check before ordering.

Deliveries

Delivery is free within mainland UK (excl highlands and Islands) on all orders over £1000 (net invoice value) on tailgate deliveries to dealer warehouse. Direct tailgate deliveries to your customers are priced on application. All orders under this minimum value will incur a £50 delivery charge.

Sample Chairs

We're always delighted to send sample chairs to demonstrate the comfort and craftsmanship we're so proud of. Samples are invoiced on delivery and a credit note issued when the chair is returned in the same condition within 15 working days.

We may deliver your order up to 2 weeks early than the date requested, with reasonable notice, to accommodate efficiencies in logistics and comply with our ISO environmental requirements.

VAT & Measurements

All prices are in Pounds Sterling and subject to VAT at the prevailing rate. All measurements are in millimetres and are approximate. They can vary due to option specification.

Fabric, Leather, Wood & Foam

While we take every care to accurately represent the colours of the fabrics in this price guide, the printing process can sometimes alter the colour depiction so we'd always recommend ordering a sample before making a fabric choice. Leather and wood naturally exhibit grain and colour variations. It's part of their charm as organic materials, adding personality and character to our pieces.

We use Combustion Modified, High Resilient foam in all of our products for comfort, durability and to meet fire safety legislation.

1. For the purposes of these Conditions the term "the Company" shall mean Summit Workspace Ltd. Ltd, the term "the Goods" shall mean such chairs or other goods as are manufactured and sold by the Company and the term "the Buyer" shall mean the purchaser of the goods.

2. These Conditions apply to all business transactions between the Company and the Buyer and shall be the sole contractual basis of any sale agreement between them.

3. Orders are accepted subject only to these Conditions of Sale and to the exclusion of all other terms and conditions including any terms or conditions which may purport to apply under any purchase order, confirmation of order or similar document. Any variation to these Conditions (including any special conditions agreed between the parties) shall be inapplicable and of no effect whatever unless agreed in writing by the Company.

4. All prices in GBP exclusive of VAT. This price list supersedes all previous price lists. Whilst we have made great efforts to ensure the price list includes accurate data, it may contain a number of errors or missing information. If you are in doubt, please check before ordering. Special quotations are valid for 30 days unless otherwise agreed. Items and finishes included in this price list are standard. Prices for bespoke options are available upon request. The Company reserves the right to alter the design of its products and discontinue products or finishes at any time without direct notification to you.

5. Payment by the Buyer shall be made to the Company by the 20th day of the month that follows the date of the invoice and time for payment shall be of the essence. The Company shall charge interest on invoices that shall become overdue to be paid by the Buyer from day to day until the date of payment at a rate of 2% above HSBC plc's base rate from time to time in force and shall accrue at such rate after as well as before any judgement.

6. All terms and conditions and warranties (whether implied or made expressly) whether by the Company or its servants or agents or otherwise (other than those express warranties set out in the current edition of the Company's specification) relating to the quality and/or fitness for purpose of the goods or any of the goods are excluded.

7. The Goods shall be manufactured and supplied in accordance with the description contained within the Company's specification and manufactured in accordance with all applicable British Standards which relate specifically to the goods.

8. The Company may from time to time make changes in the specification of the goods as may be necessary such as to comply with any applicable or statutory requirements or which do not materially affect the quality or fitness for purpose of the goods.

9. The Company shall deliver the goods to an address and during a day (within normal working hours) agreed with the Buyer. In the event that the Buyer is unable to accept such delivery the Company shall have the right to charge to and recover from the Buyer all costs incurred in connection therewith as if the same were a debt.

10. The Buyer shall take delivery of the goods tendered by the Company notwithstanding that the quantity so delivered shall be less than the quantity purchased provided that such discrepancy in quantity shall not exceed 40% and in which event the price shall be adjusted pro rata to the discrepancy.

11. The Buyer is under obligation to inspect the goods upon receipt and shall notify the Company of any damage to the goods within three days thereof.

12. The Company shall be under no liability whatever to the Buyer for any indirect loss and/or expense (including loss of profit) suffered by the Buyer arising out of a breach by the Company of any sale agreement. In the event of any such breach by the Company the remedies of the Buyer shall be limited to damages. Under no circumstances shall the liability of the Company exceed the price of the Goods.

13. In spite of delivery having been made property in the goods shall not pass to the Buyer until the Buyer shall have paid to the Company the price plus VAT in full and no other sums whatever shall be due from the Buyer to the Company. The Buyer holds the goods in a fiduciary capacity as bailee for the Company. The Buyer agrees to keep apart and separately to identify (as belonging to the Company) all goods owned by the Company in its possession. The Company reserves the right of disposal of any of its property and shall be at liberty to retake possession of the same or any part thereof and for that purpose enter into any premises of the Buyer until the goods delivered to the Buyer by the Company have been paid for in full. The Buyer is authorised to sell or to use the goods as a bailee of the Company. If the goods or any part thereof are sold

then if the property in the goods is within the Company pursuant to these terms property shall pass from the Company to the new buyer. In the event that the Buyer receives from any person payment in respect of the goods or any part thereof the Buyer shall receive and hold such monies on behalf of the Company and keep them separate and apart until the Company has been paid in full for the goods comprised in any agreement between the Company and the Buyer.

14. The Buyer shall insure and keep insured the goods to the full price against "all risks" to the reasonable satisfaction of the Company until the date that property in the goods passes from the Company. If the Buyer fails so to do and without prejudice to the other rights of the Company all sums whatever owing to the Company by the Buyer shall forthwith become due and payable.

15. Any sale agreement between the Company and the Buyer may be subject to cancellation by the Company by reason of an Act of God, force majeure or other cause beyond the control of the Company.

16. The Company guarantees that the goods are fit for the purpose for which they are intended and further guarantees the goods to be free from defects in materials and workmanship for a period of five years for structural parts under normal, 8 hour per day use excepting fair wear and tear and damage or malfunction caused by misuse. User weight limits and some exceptions to hours of use apply. These limits and exceptions are set out within the Guarantee section of our current Retail Price list. The Company undertakes to repair the goods or any part thereof which proves to be defective under normal conditions of use. Any chairs requiring repair within the guarantee period will be collected from and returned to the Buyer on our next available transport.

17. All goods sold in retail packaging may be resold by the Buyer in the packaging supplied by the Company and in no case may any trade mark other than those applied by the Company be marked on or applied in relation to the goods without prior agreement of the company. No right or licence is granted under any sale agreement to the Buyer under any patent, trade mark, copyright, design right or other intellectual property right except the right to use or resell the goods.

18. Any sale agreement between the Company and the Buyer shall be subject to the laws of England and Wales and all disputes arising out of such sale agreements shall be subject to the jurisdiction of the courts of England and Wales.

19. Change/cancellation of orders – You may amend or cancel an order, or contact the Company with corrections to the order confirmation, within 24hrs of the issue of the order acknowledgement (Grace Period) by notifying us in writing of the requested amendment, cancellation or correction. It is your responsibility to check the order acknowledgement and report any errors within the Grace Period. No amendment or cancellation of the order, or change to the order acknowledgement, may be made after the expiry of the Grace Period except with the written consent of the Company. Where consent is given to such amendment or cancellation after the expiry of the Grace Period, the Company may require you to pay additional charges as a condition of its consent.

20. Conditions of delivery – Please enquire about stock levels before ordering. Our standard delivery is free of charge for orders with a value of £1000.00 net or above – tailgate between 9am–5pm Monday to Friday, to one UK mainland address. Deliveries are made on set days to set areas which will be confirmed on your sales acknowledgement. If there are vehicle restrictions on direct deliveries then we reserve the right to charge for additional vehicles if they are required. If your normal delivery day falls on a Bank Holiday then it will be rescheduled for the same week with a delivery confirmation sent prior confirming which day it will take place. Delivery of orders under £1000.00 will be charged at £50.00 unless agreed otherwise. Deliveries to Ireland or Europe are P.O.A. We offer a delivery & installation service if required, P.O.A.

21. It is the purchaser's responsibility to ensure that building access is adequate before ordering: furniture cannot be cut down or segmented once manufactured. Should it be apparent that goods are damaged/faulty in any way, the recipient /customer must inform the supplier within 24hrs of receipt. Extended delivery times may occur due to circumstances out of our control. The Company have the right to discontinue products or finishes at any time without direct notification to you.

SUMMIT

Introducing our heritage, craftsmanship and expertise

Beautifully crafted furniture that brings warmth, comfort and style beyond home

Innovation and design

We believe in thoughtful
design, sustainable practices
and crafting beautiful
furniture for every space.

Our skilled team brings innovation
and design to create welcoming
workplaces, warm hospitality,
calming healthcare settings
as well as inspiring campuses and
commercial environments alike.
Blending tradition with modern
techniques, our pieces are made
to stand the test of time.

From local to everywhere

We make all of our furniture right here in the UK, from our 45,000 sq ft factory in Wiltshire, with a 200 mile supply chain, we shop local!

We put care and thought into every stitch, fixture and finish, to create furniture that's built to last. And that goes hand in hand for delivering incredible service too.

Experts

We're seamstresses, welders, woodworkers, preppers, frame makers, painters, assemblers, upholsterers and more - crafting furniture since 1977.

We've spent nearly 50 years becoming experts in our field, passing our skills on to Summit's next generation of furniture makers.

So much has changed since our bell-bottom days, but our commitment to timeless design and enduring quality remains the same.
