solutions

We are living and working through challenging times at the moment and this is requiring many of us to work from home to stay safe and ensure business continuity. Some employees will be working from home for the first time, which means figuring out how to stay on task in an environment that may not lend itself to productivity.

At Dams, we have plenty of home office furniture solutions available to create an inspiring area to work with sleek office desks, comfortable seating and clever storage solutions.

ACCESSORIES

While technology allows us to stay connected, we also understand that providing you with the right furniture accessories to make working from home easy and safe is equally as important, and we have plenty of home office furniture solutions available to create an inspiring area to work with space saving monitor arms, desk converters which allow you to sit and stand throughout the day, plus power units to keep the work area tidy and uncluttered.

MONITOR ARMS

Monitor arms provide smooth and effortless adjustments which can be tailored to the user's exact needs, allowing them to sit more comfortably at their home office desk whilst reducing lower neck pain, eye, and back strain due to incorrect monitor positions.

FABRICS

Camira Patina fabric is designed with nature to achieve beauty with performance. The white flecks scattered across the surface are created by the flax content, just as the flowers would appear in the fields from which it is grown. The palette takes its cues from nature and by allowing its natural beauty to shine through, we've ensured that Patina is truly at home in its new habitat.

(Other fabrics available on request)

Tested to meet the requirements of:

The Furniture and Furnishings (Fire) (Safety) Regulations 1988
(Statutory Instrument 1988 No 1324 and subsequent amendments)
Schedule 4 Part I and Schedule 5 Part I

FINISHES

MFC we only use FSC-certified wood manufacturing our products in-house in the UK, with total traceability for every order. Constructed from a chipboard core and finished with a decorative melamine covering, MFC is a versatile product ideal for use with home office furniture.
