All prices exclude VAT at current rates. Carriage charges might apply depending on order size/value. Please check before ordering.

Welcome

Who are we?

We are based in Lowestoft, Suffolk, the UK's most easterly town but operate nationally with our customers and suppliers to offer a seamless, professional transaction from initial enquiry through to delivery or installation of your new furniture. With over 19 years in the industry we know what will work for you and your school with unbiased, free advice. It costs nothing to see what options might work for you.

Great value, always

We are not part of a large corporation or have big flashy offices so have minimal overheads. These savings are passed onto our customers with some of the best like for like prices you could find. If you find a product or service cheaper then just let us know and we will do our utmost to beat it. Don't be shy, just ask.

You're in safe hands

We keep you in the loop regarding your order status so you know what's happening and when. All deliveries are booked in and agreed with you to make sure you are ready to receive your new furniture so there are no surprises. For most accounts, you only pay on completion of the order and it being correct. If something is not as agreed then we will work tirelessly to correct it before any payment is due.

Take a peek

Take a look at the following pages to give you an idea of some of the ranges & styles we can offer you. Its only a snapshot so please do visit our website for more options or talk to us to see what's right for you, your school or college.

Doing our bit

Here at Orbis Furniture we believe we can all do our bit to help the planet which is why with every order over the value of £100 (excluding VAT) we plant a tree on your behalf. You'll also receive a certificate to show your support to the cause.

Highlights

Our table seating units can serve 25-45% more students than table and chairs in the same space. Students will not only be sat more efficiently, but aisle space widths can be reduced and there will be no more noisy scrapping of chairs.

- Choice of 19 different table colours
- 10 stool colour options
- Easily moved for dining hall clearing
- Non-marking gliders and castors, designed to keep your dining hall floor looking smart
- Life time service on welds and hassle free service, maintenance and care packages
