

Decades in the making.

At Summit, we believe thoughtfully-made furniture should be for everyone. We design and build beautiful, affordable furniture that brings everyday spaces to life - from welcoming workplaces to inspiring campuses. Blending tradition with innovation, our pieces are made to stand the test of time.

Where heritage meets innovation

Founded by Peter Ford and Tom Simpson in 1977, Summit's reputation for quality design and service is decades in the making. From the tubular-framed and swivel chairs of the 1970s to the modular sofas and meeting booths for today, we've continuously innovated to make new collections that deliver on style, function, ergonomics and price.

Committed to a sustainable future

All of our furniture is tested to meet British standards for safety and durability, which means they achieve the highest levels of strength, reliability and stability. We also offer a comprehensive 5-year warranty for your peace of mind.

The height of quality British craftsmanship

From sourcing sustainable raw materials to making recyclable products, we're committed to working in a way that matches our social and environmental principles. As a member of FIRA's Furniture Industry Sustainability Programme, we're accountable for meeting the highest standards for safe, ethical, and sustainable practices.

Mechanisms

All of our task chairs are designed to provide exceptional levels of support and adjustability, to minimise health risks associated with sedentary working, and to promote good back care. To this end they are fitted with one of the following mechanisms, indicated at the top of the pricing column.

The appearance of the mechanism is representative only and may differ slightly according to mechanism type.

Operator

This mechanism has lever-operated, back angle adjustment that can be locked in any position or left unlocked to follow the user's movement in dynamic free float mode.

Operator Plus

Similar to the Operator mechanism but with additional lever-activated seat tilt adjustment. Where indicated, most Operator Plus mechanisms also include tension control to adjust for variation in user weight.

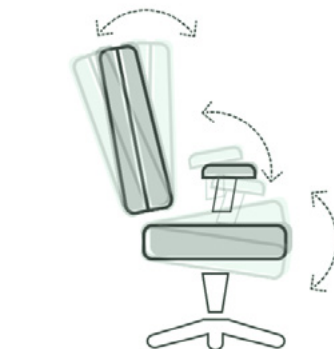

Operator Synchro

Back and seat recline together in a 2:1 ratio, can be locked in position or left in free-float mode to follow the user's dynamic movement. These chairs also have adjustable tension control.

Synchro Plus

Combining the smooth operation of a synchronised mechanism, with the breadth of adjustability of an Operator Plus mechanism; the back angle can be adjusted independently of the synchronised seat and back recline.

Body Balance Synchro

Back and seat recline in a 3:1 ratio. They can be locked in position or left in free-float mode to follow the user's dynamic movement. The mechanism automatically adjusts to body weight for individually tailored support.

Seat Slider

A seat slider allows the horizontal adjustment of the seat, offering increased leg support when required. This function is beneficial to accommodate differing seat depth requirements.

OPTIONAL ACCESSORIES

PRODUCT NAME	DESCRIPTION	RRP
Sundries		
Brake loaded castors 	Brake loaded castors in place of standard castors (<i>per set of 5</i>)	+£43
Soft wheeled castors 	Soft wheel castors in place of standard castors (<i>per set of 5</i>)	+£23
Glides 	Glides in place of standard castors	FOC
Draughtsman base 	Draughtsman base, footring and gas lift in place of standard base and gas lift. We do not recommend the fitment of draughtsman base to any swivel chair that has a Synchro or Operator Plus mechanism	+£67
High gas lift 	Draughtsman gas lift (380mm casing) in place of standard gas lift. We recommend the use of base with glides, not castors, in combination with this gas lift. We do not recommend the fitment of draughtsman gas lift to any swivel chair that has a Synchro or Operator Plus mechanism	+£32
Mid. height gas lift 	Mid. height gas lift (290mm casing) in place of standard gas lift, supplied with glides	+£30

Steel frame colour options

We have over 45 years' experience in manufacturing and finishing tubular steel furniture frames. We have a comprehensively equipped tube bending and welding facility and adjacent to this, a state of the art, epoxy powder coating plant. These combined assets bring lots of competitive benefits - bespoke frame variations, short lead times, multiple finish options.

The epoxy finishes shown here are available across a large proportion of our steel framed furniture ranges. In addition to these stock colours we can offer a colour matching service. The price for this is on application.

We also offer a Chrome Plate option on many products. The negative environmental impact of chromic acid and other aspects of the plating process make it one which we want to influence our customers to see as not only an undesirable choice but also unnecessary. We believe we can do this by offering a cost saving but aesthetically credible alternative. Our Bright Chrome Epoxy is a powder coating with a mirror bright finish that, seen in isolation is very hard to distinguish from chrome plate. Its visual appeal is equal to that of chromium plate.

LIBERTE LINKING

Liberte Seating can be linked together at the ends that do not have arms, to create extended, straight runs of sofa seating. To link 2 Liberte seat units together, one unit will require the optional left hand (LH), as seated, linking fitted to a non-arm end of the seat. The other unit will require the optional right hand (RH), as seated, linking fitted to a non-arm end of the seat. Please can you state for each unit ordered what is required.

LILO LINKING

STRAIGHT LINKING

Lilo seating can be linked together at the ends that do not have arms, to create extended, straight runs of seating. To link 2 Lilo seat units together, one unit will require the optional left hand (LH), as seated, linking fitted to a non-arm end of the seat. The other unit will require the optional right hand (RH), as seated, linking fitted to a non-arm end of the seat. Please can you state for each unit ordered what is required.

L SHAPED, 90 DEGREE LINKING

Lilo seating can also be linked together at 90 degrees to create L shaped corner sofa configurations. To link 2 Lilo seat units together in this way, one unit will require the optional LH or RH linking fitted to a non-arm end of the seat. The other unit will require the optional perpendicular linking fitted to its opposite handed arm. Please can you state for each unit ordered what is required. To ensure we interpret your requirements correctly we will also ask for a plan drawing of your layout.

GRAND PIANO LINKING

Grand Piano Seating units can be linked together at the ends that do not have arms, to create an infinite variety of layout configurations. To link 2 Grand Piano seat units together, one will require the optional left hand (LH), as seated, linking fitted to a non-arm end of the seat. The other will require the optional right hand (RH), as seated, linking fitted to a non-arm end of the seat. Please can you state for each unit ordered what is required. For complex layouts, to ensure we interpret your requirements correctly, we will also ask for a plan drawing.

LIBERTE HIGH LINKING

Liberte high seating can be linked together at the ends that do not have arms, to create extended, straight runs of sofa seating. To link 2 Liberte High seat units together, one unit will require the optional left hand (LH), as seated, linking fitted to a non-arm end of the seat. The other unit will require the optional right hand (RH), as seated, linking fitted to a non-arm end of the seat. Please can you state for each unit ordered what is required.

GENERAL TERMS

TERMS & CONDITIONS

OUR CONNECTED WORLD

As workspace culture evolves, the need to facilitate the seamless use of mobile devices from the comfort of our seating is an absolute given. Connections for power, charging and presentations, unobtrusively and conveniently positioned, enable individuals or groups to find comfortable, private or communal places to work. To this end, throughout a number of our ranges we offer optional power modules. As befits the quality of our furniture, the power modules we offer come from the recognised leaders in this field. UK company, Sourcetec are experts in designing and manufacturing power and data distribution solutions. They have been designing their own products in the UK for many years. Their products can be found in use all over the world in environments as diverse as industrial, commerce, retail, hospitality, education, healthcare and even home.

PRODUCT NAME	DESCRIPTION	FINISH	RRP
Power modules integrated with upholstery For ease of choice when specifying our upholstered seating and booth products, we offer from stock, 3 elegantly designed, Sourcetec power modules. Each module integrates seamlessly within the upholstery design. They come with a detachable, 3m trailing mains lead with a 13 amp, UK 3 pin plug. If you have a power module requirement not met by our stock offering then please speak to us and we will be able to offer solutions from the wider Sourcetec range.			
Elio 	Elio is an elegant, white, 90mm diameter unit that is flush mounted within the upholstered face of a seating or media unit. It provides a standard, fused, UK 13 amp power socket plus 3 USB fast charging sockets, 1 type-A, and 2 type-C, delivering 3 amps	White	£148
Qubit 	This module is a surface mounted, 100 watt unit contained within a robust, white plastic casing. We offer Qubit for use on seating products where the design does not allow for the flush mounting and the internal accommodation of a module and its cables. Qubit delivers ultra fast charging through both a USB and a type-C port	White	£238
Nano 	Nano is a stylish black cased table top mounted power module. It has a standard fused UK 13 amp power socket plus 2 USB fast charging sockets, type-A, and type-C.	Black	£86

Note about Media Units - VDU screens and screen mounting brackets

We do not supply or fit VDU screens or screen mounting brackets. The front panel of our media units is constructed from a 9mm ply board. This facilitates the easy and secure fixing of a screen mounting bracket by the use of suitably sized, self-tapping wood screws. To avoid snagging the fabric we recommend that the hole positions are marked and then a small cut is made in the fabric before the screw is driven in.

Guarantees

All of our chairs come with a 5 year structural guarantee, excluding fair wear and tear, and damage or failure caused by misuse. The tubular steel frames on the MeMe, Ultra, Saltford 19 & 25, Radstock, Cyrus, Cyrus Bariatric, Beam and Versit Beam ranges and on the Skolar SK10 and SK10A chairs are structurally guaranteed for 15 years. The guarantee applies for use up to 8 hours a day by users up to 150kg. All exceptions to that standard, are listed in the table below:

Any chair that requires repair under the terms of our guarantee will be collected from and returned to the supplying dealer on our next available transport.

Product range or chair	Limits to intensity of use and user weight to maintain warranty cover
Ergonomic Task 24	24/hour per day use by users up to 150Kg in weight
Posturemax 200	24/hour per day use by users up to 200Kg in weight
Cyrus Bariatric	24/hour per day use by users up to 350Kg in weight
Skolar SK10, SK10A, SK10W skid framed stacking chair	24/hour per day use by users up to 200Kg in weight
Gloucester G1 stacking chair	8 hour per day use by users up to 110Kg in weight
Versit range	8 hour per day use by users up to 110Kg in weight
Scout	8 hour per day use by users up to 110kg in weight

Gas Lifts

All of the swivel chairs in this guide are fitted with a gas lift for easy height adjustment. These are suitable for people up to 150kg in weight. The gas lifts fitted to the Posturemax 200 range chairs are suitable for users up to 200kg.

Ordering

To give accuracy a sporting chance, we only accept written orders. We'll acknowledge the order as soon as possible and request you check the acknowledgement thoroughly to ensure we've accurately interpreted your requirements. If not, please contact us immediately, as we usually start cutting within a day of receiving an order. Alterations or cancellations beyond 24 hours of receipt of order, will incur a charge.

This guide has an image for each product along with a unique product code to ensure you know what you are ordering.

The appearance of the mechanisms on swivel chairs, pictured within this guide, are representative only and may differ slightly depending on the type of mechanism required.

Options for each product are listed within the RRP's, if any are required, please make that clear on your order.

Whilst we have made great efforts to ensure the price list includes accurate data, it may contain a number of errors or missing information. If you are in doubt, please check before ordering.

Deliveries

Prices in this guide include delivery to our nationwide dealer network subject to a minimum net invoice value of £250. On request, we can undertake tail gate only deliveries to your customer's premises. We will work out the most cost-effective way to do this for you based on our regular delivery routes.

Sample Chairs

We're always delighted to send sample chairs to demonstrate the comfort and craftsmanship we're so proud of. Samples are invoiced on delivery and a credit note issued when the chair is returned in the same condition within 15 working days.

VAT & Measurements

All prices are in Pounds Sterling and subject to VAT at the prevailing rate. All measurements are in millimetres and are approximate. They can vary due to option specification.

Fabric, Leather, Wood & Foam

While we take every care to accurately represent the colours of the fabrics in this price guide, the printing process can sometimes alter the colour depiction so we'd always recommend ordering a sample before making a fabric choice. Leather and wood naturally exhibit grain and colour variations. It's part of their charm as organic materials, adding personality and character to our pieces.

We use Combustion Modified, High Resilient foam in all of our products for comfort, durability and to meet fire safety legislation.

1. For the purposes of these Conditions the term “the Company” shall mean Summit Chairs Limited, the term “the Goods” shall mean such chairs or other goods as are manufactured and sold by the Company and the term “the Buyer” shall mean the purchaser of the goods.

2. These Conditions apply to all business transactions between the Company and the Buyer and shall be the sole contractual basis of any sale agreement between them.

3. Orders are accepted subject only to these Conditions of Sale and to the exclusion of all other terms and conditions including any terms or conditions which may purport to apply under any purchase order, confirmation of order or similar document. Any variation to these Conditions (including any special conditions agreed between the parties) shall be inapplicable and of no effect whatever unless agreed in writing by the Company

4. All prices in GBP exclusive of VAT. This price list supersedes all previous price lists. Whilst we have made great efforts to ensure the price list includes accurate data, it may contain a number of errors or missing information. If you are in doubt, please check before ordering. Special quotations are valid for 30 days unless otherwise agreed. Items and finishes included in this price list are standard. Prices for bespoke options are available upon request. Summit 1977 reserves the right to alter the design of its products and discontinue products or finishes at any time without direct notification to you.

5. Payment by the Buyer shall be made to the Company by the 20th day of the month that follows the date of the invoice and time for payment shall be of the essence. The Company shall charge interest on invoices that shall become overdue to be paid by the Buyer from day to day until the date of payment at a rate of 2% above HSBC plc’s base rate from time to time in force and shall accrue at such rate after as well as before any judgement.

6. All terms and conditions and warranties (whether implied or made expressly) whether by the Company or its servants or agents or otherwise (other than those express warranties set out in the current edition of the Company’s specification) relating to the quality and/or fitness for purpose of the goods or any of the goods are excluded.

7. The Goods shall be manufactured and supplied in accordance with the description contained within the Company’s specification and manufactured in accordance with all applicable British Standards which relate specifically to the goods.

8. The Company may from time to time make changes in the specification of the goods as may be necessary such as to comply with any applicable or statutory requirements or which do not materially affect the quality or fitness for purpose of the goods.

9. The Company shall deliver the goods to an address and during a day (within normal working hours) agreed with the Buyer. In the event that the Buyer is unable to accept such delivery the Company shall have the right to charge to and recover from the Buyer all costs incurred in connection therewith as if the same were a debt.

10. The Buyer shall take delivery of the goods tendered by the Company notwithstanding that the quantity so delivered shall be less than the quantity purchased provided that such discrepancy in quantity shall not exceed 40% and in which event the price shall be adjusted pro rata to the discrepancy.

11. The Buyer is under obligation to inspect the goods upon receipt and shall notify the Company of any damage to the goods within three days thereof.

12. The Company shall be under no liability whatever to the Buyer for any indirect loss and/or expense (including loss of profit) suffered by the Buyer arising out of a breach by the Company of any sale agreement. In the event of any such breach by the Company the remedies of the Buyer shall be limited to damages. Under no circumstances shall the liability of the Company exceed the price of the Goods.

13. In spite of delivery having been made property in the goods shall not pass to the Buyer until the Buyer shall have paid to the Company the price plus VAT in full and no other sums whatever shall be due from the Buyer to the Company. The Buyer holds the goods in a fiduciary capacity as bailee for the Company. The Buyer agrees to keep apart and separately to identify (as belonging to the Company) all goods owned by the Company in its possession. The Company reserves the right of disposal of any of its property and shall be at liberty to retake possession of the same or any part thereof and for that purpose enter into any premises of the Buyer until the goods delivered to the Buyer by the Company have been paid for in full. The Buyer is authorised to sell or to use the goods as a bailee of the Company. If the goods or any part thereof are sold

then if the property in the goods is within the Company pursuant to these terms property shall pass from the Company to the new buyer. In the event that the Buyer receives from any person payment in respect of the goods or any part thereof the Buyer shall receive and hold such monies on behalf of the Company and keep them separate and apart until the Company has been paid in full for the goods comprised in any agreement between the Company and the Buyer.

14. The Buyer shall insure and keep insured the goods to the full price against “all risks” to the reasonable satisfaction of the Company until the date that property in the goods passes from the Company. If the Buyer fails so to do and without prejudice to the other rights of the Company all sums whatever owing to the Company by the Buyer shall forthwith become due and payable.

15. Any sale agreement between the Company and the Buyer may be subject to cancellation by the Company by reason of an Act of God, force majeure or other cause beyond the control of the Company.

16. The Company guarantees that the goods are fit for the purpose for which they are intended and further guarantees the goods to be free from defects in materials and workmanship for a period of five years for structural parts under normal, 8 hour per day use excepting fair wear and tear and damage or malfunction caused by misuse. User weight limits and some exceptions to hours of use apply. These limits and exceptions are set out within the Guarantee section of our current Retail Price list. The Company undertakes to repair the goods or any part thereof which proves to be defective under normal conditions of use. Any chairs requiring repair within the guarantee period will be collected from and returned to the Buyer on our next available transport.

17. All goods sold in retail packaging may be resold by the Buyer in the packaging supplied by the Company and in no case may any trade mark other than those applied by the Company be marked on or applied in relation to the goods without prior agreement of the company. No right or licence is granted under any sale agreement to the Buyer under any patent, trade mark, copyright, design right or other intellectual property right except the right to use or resell the goods.

18. Any sale agreement between the Company and the Buyer shall be subject to the laws of England and Wales and all disputes arising out of such sale agreements shall be subject to the jurisdiction of the courts of England and Wales.

19. Change/cancellation of orders – You may amend or cancel an order, or contact Summit 1977 with corrections to the order confirmation, within 24 hours of the issue of the order acknowledgement (Grace Period) by notifying us in writing of the requested amendment, cancellation or correction. It is your responsibility to check the order acknowledgement and report any errors within the Grace Period. No amendment or cancellation of the order, or change to the order acknowledgement, may be made after the expiry of the Grace Period except with the written consent of Summit 1977. Where consent is given to such amendment or cancellation after the expiry of the Grace Period, Summit 1977 may require you to pay additional charges as a condition of its consent.

20. Conditions of delivery – Please enquire about stock levels before ordering. Our standard delivery is free of charge for orders with a value of £1000.00 net or above – tailgate between 9am–5pm Monday to Friday, to one UK mainland address. Deliveries are made on set days to set areas which will be confirmed on your sales acknowledgement. If there are vehicle restrictions on direct deliveries then we reserve the right to charge for additional vehicles if they are required. If your normal delivery day falls on a Bank Holiday then it will be rescheduled for the same week with a delivery confirmation sent prior confirming which day it will take place. Delivery of orders under £1000.00 will be charged at £50.00 unless agreed otherwise. Deliveries to Ireland or Europe are P.O.A. We offer a delivery & installation service if required, P.O.A.

21. It is the purchaser’s responsibility to ensure that building access is adequate before ordering: furniture cannot be cut down or segmented once manufactured. Should it be apparent that goods are damaged/faulty in any way, the recipient/customer must inform the supplier within 24 hours of receipt. Extended delivery times may occur due to circumstances out of our control. Summit 1977 have the right to discontinue products or finishes at any time without direct notification to you.
