EN1729 Sizing Chart

The guides below show the measurements of each size and the age they are suitable for. This information is for guidance only. It is based on average pupil size across the EU. Customers must ensure sizes are correct.

Size	1	2	3	4	5	6
User Height cm	95-115	110-120	120-140	130-160	145-175	160-190
User Age	3-4	4-6	6-8	8-11	11-14	14+
Key Stage	Foundation		KS 1	KS 2		KS 3 KS 4 Post 16
School	Nursery	Primary			Secondary	

Table/chair sizes may vary slightly from the sizes shown. The standard allows heights to be within a 10mm tolerance.

3-4 years Chair: 260mm Table: 460mm	4-6 years Chair: 310mm Table: 530mm	6-8 years Chair: 350mm Table: 590mm	8-11 years Chair: 380mm Table: 640mm	11-14 years Chair: 430mm Table: 710mm	14+ years Chair: 460mm Table: 760mm

en one - one piece plastic

With its streamline ergonomic design, light weight polypropylene shell, space saving stack-ability and the one-piece chair is the choice for schools and public facilities.

The en one passes the standard BSEN16139:2013 Level 2 for severe contract use, which demonstrates the chairs strength and durability. The chair of course meets both parts of the European standard BSEN1729 for strength and ergonomics. The en-one comes in 11 brilliant colours, custom colours can be supplied subject to minimum order quantities.

Features:

- 21 year warranty
- Easy to clean and no parts to maintain
- Optional linking device to aid compliance with H&S
- Exceptional ergonomics to provide an ideal sitting position
- Uses less materials than any other chair in its class
- Fully recyclable
- Reinforced polypropylene - greater strength and durability
- Easy to move due to its lightweight material
- Chair stacks easily and safely up to 21 high (2 metre height)
- BS EN16139:2013 level 2 for severe contract use
- EN1729 compliant parts 1 and 2
- Weight limit 150kg (330lbs)

* Only available in size 6

100%

We care for the environment and are always innovating to try and help reduce our impact on the world. Manufactured in the UK out of polypropylene, it is 100% recyclable at end of life.

Compliant

EN1729 and BS16139 level 2

150kg

Tested to and supports 150kg weight safely

11 Colours

Brighten up your classroom environment.
Create that smile on children's faces.

All you need in one chair.

The child friendly design offers fantastic ergonomics, providing all day comfort and flexibility. A waterfall front helps to improve circulation whilst sitting and the angled rear legs discourage tilting.

Stacks 21 high safely and securely. No leaning so you can be assured they stay straight and tall. We even have a handy trolley to help you manoeuvre your en one chairs (suitable for size 3/4/5&6 chairs).

Need to connect the chairs together? No problem, we have a clever linking device for that. Secure clip that keep chairs safely connected.

en classic

The classic chair, manufactured by Spaceforme, offers the perfect solution for providing pupils with high performance chairs, which improve posture and comfort.

Investing in en seating is an investment for the future, as the effects of well-designed educational environments on learning are widely acknowledged. The clean lines and ergonomic benefits of the en series classic chair can play an important role in creating environments of which all stake holders can be proud.

The en series is the perfect solution for all classroom, school and educational seating environments; as well as for use in leisure and other public facilities.

Features:

- 15 year warranty
- Angled rear legs to discourage user tilting
- Stacks 6 High
- EN1729 compliant parts 1 and 2
- Weight limit 125kg (275lbs)
- Contoured outer ribbing for strength
- Tamper proof fixings
- Provides an ideal seating position

*Colours only available in size 5 & 6

100%

The classic shell is manufactured in the UK out of 100% polypropylene. The frame is made from high quality powder coated steel. At the end of the product life, the parts can be separated and fully recycled.

en series

en series seating has full compliance to BS EN1729 parts 1 & 2 with a heavy duty seat/frame interface.

The innovative contoured outer ribs maximise the shell strength, with a curved 'waterfall' front which ensures comfort and prevents loss of circulation in the legs. The chairs feature a curved seat profile to aid comfort and movement with exceptional ergonomics, support is provided to the lower back flexing naturally with the user's movement.

Features:

- 15 year warranty \ 5 year on IT chair
- EN1729 compliant parts 1 and 2
- Contoured outer ribbing for additional strength
- Tamper proof fixings secure the shell to the frame
- The Ergonomics of the en classic provides an ideal seating position
- Easy carry hole
- Made to order

100%

The Classic shell is manufactured in the UK out of 100% polypropylene. The frame is made from high quality powder coated steel. At the end of the product life, the parts can be separated and fully recycled.

The Furniture Industry Research Association (FIRA) were so impressed with our chair, here is what they had to say:

"This chair clearly considers all ergonomic factors for a modern classroom chair. In addition, the chair's aesthetics are design led whilst maintaining exceptional value for money. FIRA have recommended that the chair is put forward for the schools certification scheme - for products going beyond the standard BS EN1729"

Levent Caglar, Senior Ergonomist & Head of Ergonomist & Head of Ergonomics Unit, FIRA.

en bob

Sitting on the floor has never been a perfect sitting position. Uncomfortable, bad posture, no back support, no relaxation. Our main aim is to aid all these problems in this one chair.

An award winning innovative floor chair. Using the well respected shell of the en classic chair, the floor chairs offer comfort for children, and adults when involved in floor activities. It provides all the benefits of our en classic chair without the legs! Yes you have bean bags, mats, cushions etc. but none of these give you a stable sitting position. Teachers have commented that it actually encouraged them to sit on the floor during carpet activities, providing better interaction with the children on their level.

Floor chair code: en90

Features:

- Washable
- Lightweight and strong
- Easy carry handle
- Ideal posture support
- Can be used indoors / outdoors
- Ideal for people that work on the floor
- Award Winner – Best Innovative Product at GESS Dubai 2018
- Finalist Education Resource Awards 2019
- 16 colours available
- Allows movement while sitting
- Suitable for adults or children
- Ideal for carpet time or floor activities
- Made to order

- We may part deliver your order but this will be notified by email when the order is placed.
- Deliveries are made to ground floor only unless specifically agreed otherwise.
- Deliveries are by a third party courier within the pallet network and are curb-side delivered.
- It is the customer's responsibility to remove or dispose of any packaging, including the wooden pallet itself.
- All Scotland Postcodes except FK, KY, G, EH, ML, KA, PA1-19, DG and TD are priced on application
- Northern Ireland, Republic of Ireland and European/worldwide deliveries are all prices on application

2. RETURNS

Returns of correctly delivered items will be subjected to a 25% restocking charge plus a pallet collection charge. The items must be unused and in saleable condition and this applies only to our stocked items; en one chairs, en core tables, zlite folding exam desks, zlite folding chairs and Form stools. A number of the Spaceforme products are manufactured specifically to your order requirements we can only accept these goods back if they are faulty and for no other reason.

3. CANCELLATIONS

Goods cancelled after dispatch or refused at delivery point without a valid reason will be subject to a 25% re-stocking fee for stock items (i.e. zlite range) and manufactured items will be charged at 100% order value unless agreed otherwise. A pallet return delivery charge will also apply to any post-dispatch cancellations

Goods cancelled prior to dispatch as long as they are not custom orders can be cancelled without any fees as long as a valid cancellation reason has been provided. We reserve the right to charge for goods that have been cancelled if production has already begun on the order.

4. CLAIMS FOR SHORTAGES OR DAMAGE

Any shortage or damage must be reported to the driver immediately. If signed for as unchecked any discrepancies must be notified within 3 days of delivery, otherwise no claims can be entertained.

5. DELIVERY TIMES

Although every effort will be made to fulfil delivery dates, no liability arising from delay due to any other party is accepted by Spaceforme. We would advise you to order early with specific delivery times to avoid disappointment. We recommend that you do not dispose of your old furniture until the new furniture has been delivered. In order for us to be able to make any deliveries during School holidays, it is imperative that full access and contact details are supplied well in advance to allow scheduling. Please notify us of any relevant school opening and closing times during holiday periods with your order.

6. PRICES

All prices shown exclude VAT and are correct at date of print. Whilst we will endeavour to maintain catalogue prices, in the event of raw material cost increases or exchange rate fluctuations beyond our control we reserve the right to review prices. We will endeavour to keep any changes to a minimum and you will be notified at the time of ordering the items in question.

7. COLOUR REPRODUCTION

Every reasonable care has been taken to ensure that the colour reproduction in the literature is accurate, however due to print limitations there may be some colour variations. Every care is taken to ensure consistency of colour but due to the manufacturing processes, there may be a slight variation between different batches.

8. NEW ACCOUNTS AND PAYMENT

Fully government-funded organisations can open an immediate account. All other organisations, companies, or companies working for Government-funded organisations need a credit application approved before any orders on account can be accepted. Accounts are strictly 30 days net monthly terms and credit limits will vary dependent on relevant credit checks. The first three orders on new accounts will always be carried out on a pro forma basis. In opening a credit account the buyer guarantees to pay all monies as they fall due.

If the Buyer does not adhere to the agreed credit period of 30 days, or if the circumstances of the Buyer change, then the Seller reserves the right to immediately withdraw the credit account and all outstanding monies will fall due.

9. WARRANTY

All our products have a warranty against manufacturing and material defects. Please see individual products for the duration the goods are guaranteed. In the event that damages occur due to a manufacturing fault, Spaceforme will either fix or replace the product free of charge. An image of the fault must be emailed to sales@spaceforme.co.uk so that a solution can be ascertained.

Exclusions:

The warranty doesn't apply to product failure or loss resulting from the following;

- Normal wear and tear inc. wear items such as chair feet/bungs
- Damage caused by cleaning chemicals
- Alterations/modifications made to the products
- Rust/corrosion caused by not completely drying the products after cleaning or exposing to moisture
- Damage occurred through abuse, misuse or accident
- Failure to maintain products according to the Spaceforme instructions and guidelines

The en series chairs are designed for daily use within a classroom or public facility, up to a maximum of 8 hours per day.

The Form and Grade range of classroom furniture is designed for daily use within a classroom, up to a maximum of 8 hours per day.

The zlite folding table and chairs are designed to be used as event or special occasion furniture, (e.g. school exams) up to a maximum of 8 hours per day. The storage trolleys are designed for indoor use only and should only be used to store zlite products within the intended capacity limit.

10. GUARANTEE BY THE BUYER

The Buyer guarantees that they will use any money received by the Buyer for goods supplied by Spaceforme to pay Spaceforme in full at the earliest opportunity. If for any reason whatsoever Spaceforme is not paid by the Buyer, and if the Buyer is a limited company, then the Directors of the limited company will remain personally liable for the Guaranteed Obligations as if they were a principal debtor.

11. RISK AND PROPERTY

Risk of damage to or loss of Goods passes to the Buyer immediately once Spaceforme have tendered delivery.

Property in the Goods remains with Spaceforme until it has been paid in full (cash or cleared funds) for all the goods sold and delivered to the Buyer, or the Buyers specified delivery address.

For so long as property in the Goods remains with Spaceforme, the Buyer holds the goods as Spaceforme fiduciary agent and bailee. The rights and remedies of Spaceforme in these Terms and Conditions are in addition to and without prejudice to all its other rights and remedies.
