

# MEBANE TRAIN DISPLAY

## HOLIDAY TRAIN CAR DECORATING CONTEST

**TAKE A TRAIN CAR CAPABLE OF RUNNING ON OUR DISPLAY AND GIVE IT YOUR OWN PERSONAL HOLIDAY FLAIR.**

Two age categories of design contestants: **12 and under** and **ages 13 - 16**.

**(Adults who wish to decorate a car are welcome to do so and we will gladly include it in what we run this year!)**

Decorated car entries will be accepted through **2:00 PM on Saturday, December 21, 2019**.

**ALL ENTRIES** will be put on the track as soon as they are submitted and be made part of the Holiday trains that will run during each opening date until Saturday, January 11, 2020. **ALL ENTRANTS** have the *option* to have their picture along with their car entry posted to the Display's Facebook page. **THE WINNER FROM EACH CATEGORY** will have the *option* of being featured on [THEMEBANETRAINDISPLAY.com](http://THEMEBANETRAINDISPLAY.com) as well as having their name included as part of next year's holiday decorations on the Display's layout.

There are no limitations to the type of train car or materials used other than the cars have to be O-gauge and capable of riding on 3 rail track. There are many affordable used train cars on EBay. We encourage you to search there to find just the right car. However, our volunteers scoured the tables at the last train show to find several used cars that we can provide free to young people that express a desire to participate. The cars provided by the Display are not expected to be returned to any sort of original condition after use. So have fun and be as creative as you can! Those cars will be available on a first come first serve basis (while supplies last) at the Display on Tuesday evenings between 6:30PM and 8:00PM or during any of our remaining Saturday 10am to 2pm openings this year beginning on Saturday, November 30, 2019. Entries will be available to be returned to you, if requested, after 2pm January 11, 2020.

This event is sponsored by The Mebane Train Group. If you have additional questions please message us through Facebook or our website.
