Looking Forward to 2025

Faith Responders commits \$200,000 for rebuilding and recovery projects in Central Florida

Faith Responders is partnering with New Horizon, Lifestyle Church of God and First Methodist of Zephyrhills to help with repairs and rebuilding in 2025. From January to June of 2025 we will be working with families who are unable to recover on their own and need help navigating the overwhelming challenges of putting their home and lives back together. Faith Responders will be assisting through volunteer mission teams to help with repairs, lowering the cost of recovery for families. We hope you will consider joining us as a volunteer.
