

Merry Christmas and A Happy New Year!

Faith Responders is barely a year old, and we can hardly put into words how grateful we are this Christmas season for all the generous partners who provided storm relief funds and partnerships during an unusually busy hurricane season in 2024.

We are always humbled by your gifts of time, talent and funds given--no matter how big or small. Specifically, we also want to thank you for all those who covered us in prayer this past year.

It's been a year of partnerships, new and old. With churches, nationally recognized relief organizations and amazing volunteers. These are the key elements that made our storm relief work such an amazing success. We can't say enough about our volunteers who come from far and wide to offer relief and the caring hand of God. We supported, mentored and equipped pastors, church leaders, and volunteers by the hundreds as we ministered to 1000's of storm victims offering them the love of Jesus and much needed storm relief during their difficult days.

This Christmas season we offer the hope of Christ. We offer His light to even the darkest places of your hearts and lives. Through Him, all things are possible. Thank you for your help and support. Through you our ministry can reach 1000's more in the coming year.

May God bless your home, your family, your plans and renew your hearts and fill them with joy.

Blessings,

Laura Lambert—Executive Director
&
The Board of Directors of Faith Responders, Inc.

Sharing the Love of God, Offering Christ

Pictured - Pastor Sabrina Tu and Members of New Horizon GMC sharing meals and Christmas cheer with families in the Ridge Manor community impacted by Hurricane Milton. 220 families are currently housed in hotels due to flooding after the storms. It will be several months before they return home. We hope you will consider joining us in 2025 as we help these families and others repair and rebuild.

Hurricane Milton Financial Assistance Grant

Faith Responders is here to help after the hurricanes. If you were impacted by Hurricane Milton and your primary home received minor, major or destroyed damage you may receive up to \$1,000 in assistance.
