News and Updates

Keeping an Eye on the Tropics

As we watch the tropics and the development of Invest 97L, we are just two months into Hurricane Season. Predictions forecast a lot of rain and possible development to a Tropical Storm or a category 1 Hurricane. Are you prepared?

Faith Responders is monitoring the activity and participating in calls with other agencies ready to respond if the need arises. Our prayer is that we will not be called out but if so we are ready to assist.

What can you do to get prepared? Checkout www.floridadisaster.org for tips and information, stay tuned to your local channels for updates, follow evacuations calls, and most importantly stay safe.

We will keep you updated through the weekend and send a call out for volunteers as needed after the storm. Be safe!

Survivor Testimonial

A HUGE thank you to Killearn Methodist Church for their help repairing the bathroom of a Hurricane Idalia survivor. She was overwhelmed with gratitude...

"Hi Laura, I just wanted you to know Mr. Al and them finished. My mother called me crying praising God. She said it's so beautiful. Thank you so much!"

And THANK YOU to
Rev. M.H. Smart, Miccosukee Methodist,
Community Methodist Ruidoso, Faith
Methodist Hudson, and Estero Church for
their generosity and support!

Answering Your Questions

People ask where their donations go? Faith Responders is a stand alone 501c3 nonprofit supported entirely by donations. As a new ministry we have operational costs which we strive to keep at a minimum. ALL donations designated for a specific storm, recovery or event go to help survivors and support recovery efforts. Our board contributes a tremendous number of volunteer hours each month in order for us to focus on the mission of sharing God's love with survivors and keep costs at a minimum. Thank you for being a part of our mission and vision!!
