In the coming months we will be offering training opportunities for individuals and churches including a Disaster Response Team Leader training and Faith Responders Disaster Orientations for churches. Has your church had a response team in the past? Does your church have a desire to start or strengthen your response team? We are about empowering and equipping your church and team to be the hands and feet of Christ. ***Send us an email at info@thefaithresponders.org if your church or team is interested in finding out more.***

Current Activities

We are continuing to work with the ongoing recovery efforts in the Taylor County area. Six trained volunteer Family Advocates are assisting 24 families to identify unmet needs and match resources available to restore, repair or rebuild their homes. New referrals come in each day as folks still struggle to recover from Hurricane Idalia. Your prayers and support are appreciated.

Texas Panhandle Wildfires

Over 956 families have lost their homes and another 286 have received major damage in the Texas Panhandle Wildfires. Support and donations can be sent to the Stinnett Methodist Church, PO Box 1192, Stinnett TX 79083. Gift cards (\$50-100) to Walmart and Tractor Supply are greatly appreciated.
