### **Response Homeowner Liability Release**

(I/We) testify that (I/We) am the owner/occupant of the listed property and indicate by (my/our) signature (s) below that (I/we) hold the volunteers of the Global Methodist Church, Faith Responders and any of its affiliates or their organizations, representatives, agents, service providers, harmless from any damage or injury that may occur on my property, including personal injury. Further (I/We) understand that no warranty or guarantee, express or implied, is provided for work performed on my property. (I/We) the homeowner has taken photos needed for insurance and gives permission for repairs, demolition and/or debris removal.

(I/We) understand that said organizations and its affiliates do not have insurance coverage for protection against legal claims or liability damage suites that might arise in their work on (my/our) home and property. Therefore, in consideration of the volunteer services to be rendered to me or my property by the volunteers, I agree, by signing below, to release and to hold harmless the volunteers from Faith Responders, the Global Methodist Church, and any/all their affiliates from any liability, injury, damages, loss, accident, delay or irregularity related to the volunteers and services as mentioned above. This release binds the undersigned and his/her heirs, representatives, and assignees.
