## **Answer the Call: Become a Faith Responder!**

Faith Responders is making an incredible impact in communities affected by disasters—and now, we need YOU to join us! Disasters don't wait, and every day people face the devastation of hurricanes, floods, and other crises. That's where we come together to rebuild and restore.

This February, we're calling on compassionate individuals to step up and serve. Whether you're new to disaster relief or a seasoned volunteer, our upcoming training sessions will prepare you to make a lasting difference.

We currently receiving volunteer groups through the end of June for rebuilding and repairing homes impacted by Hurricane Milton and Helene. Come and join our great mission and make a difference with us today!

### **Hurricane Assistance Grants Provide Help to Homeowners Recovering From the Storms**

In December and January, Faith Responders offered our first Financial Assistance Grants for homeowners recovering from the 2024 hurricanes. We assisted 59 families with over \$55,000 in support,

appliances and home goods. Faith Responders continues to provide Disaster Case Management support for survivors in Taylor County, Pasco County and Hernando County to identify continuing unmet needs and assist with home repairs and rebuilding.
