Faith Responders is a non-profit disaster response and recovery ministry and a Strategic Ministry Partner of the Global Methodist Church. Faith Responders empowers and equips local churches to share the restorative love of God by providing training, education and resources for disaster response and recovery. Our mission is to offer Christ in tangible ways through hands-on relief to those affected.

As residents of the Southeast, we are accustomed to hurricanes and other natural disasters. When they strike, many are crushed by the weight of personal loss, physical pain, fear, and confusion. Faith Responders works quickly to alleviate suffering and to minister to those impacted by mobilizing the Body of Christ. We coordinate volunteers to assist with home cleanouts, tarping, chainsaw work, donations distribution, spiritual and emotional care and repairs.

Faith Responders offers training and education to churches and individuals interested in developing a Disaster Response Team or Rebuild Mission Team.
