

PROGRAM OVERVIEW – NEW PATH Recovery Residence (Detroit, MI)

Our Mission

New Path Recovery residence provides safe, structured, and supportive recovery housing for individuals transitioning from treatment, detox, incarceration, or unstable environments. Our mission is to help residents build long-term sobriety, stability, and independence through accountability, community, and evidence-based recovery practices.

Who We Serve

We support adults (18+) in early recovery who need:

- Drug-free, stable housing
- Structure and accountability
- Support transitioning from treatment, detox, jail, or homelessness
- A safe environment to rebuild their lives

We accept referrals from:

- Treatment centers
- Detox facilities
- Hospitals
- Courts & probation departments
- Community mental health agencies
- Case managers & social workers

Program Structure

Residents participate in a structured, supportive environment designed to promote recovery and personal growth.
