EVENT OVERVIEW

HAVANA NIGHTS-ALL IN VS CANCER is the annual premier event for Real Men Wear Pink benefiting the American Cancer Society. As a signature event hosted by the newly renovated Chattanooga Hotel.

With the Chattanooga Grand Ballroom being transformed into a Havana Casino, the night will feature a Texas Holdem Poker Tournament, Casino area, Live DJ, Dancing, Delicious Hors d'oeuvres, craft cocktails, wine and beer, a thrilling LIVE auction, and other memorable entertainment.

For over 100 years, the American Cancer Society has been working to defeat a disease that touches us all. And while dramatic progress has been made, we still have a long way to go in the quest to end cancer's threat to our lives and well-being.

Now in its seventh year, Real Men Wear Pink has raised hundred of thousands of dollars to support the American Cancer Society's mission and goal of eliminating cancer as a major health problem. Join us for a night that you will not soon forget at Havana Nights - All In Vs Cancer.

THE AMERICAN CANCER SOCIETY

OUR LIVESAVING MISSION

The American Cancer Society is the nationwide, community-based, voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives, and diminishing suffering from cancer, through research, education, advocacy, and service.

Progress in the war against cancer has triggered a 22% decline in U.S. deaths over the past two decades, but we can't stop there. Over 1.9 million new cancer cases are expected to be diagnosed in the United States in 2023, and more than 608,000 Americans will lose their battle - that's over 1,600 people a day. The American Cancer Society is committed to changing these devastating odds.

We know we cannot win the cancer fight alone. It will take all of us, working together, to bring this disease under control.
