

Wiltshire Wildlife Trust

Water Team Volunteering

Help restore Wiltshire's rivers, protecting our unique environments for the wildlife that rely on them and people that enjoy them.

What

Each day will be different, the kind of work we will be doing includes:

- In-river habitat work
- Planting trees
- Tackling invasive species

All abilities are welcome and we'll teach you everything you need to know on the day.

Why

- Help conserve some of the most threatened habitats in the UK
- Pick up new skills
- Meet new people
- Work in a team

It's time to get your wellies on and get stuck in protecting some of Wiltshire's most beautiful places!
