

Freddy's Island

Words & Music by James C. Burns

My Daddy sits at home on his island.
Built it on his own without trying
He gets lost in the sun. He's hurting no one.
And we're just afraid. That he may stay.

Tell me why don't you take me? I'm free today.
I could dance thru the night.
Who the hell could say we strayed?
One more night. I'll be on my way.

Drinking's not my nature. Just some tea.
To think I was a fortress. Now I bleed.
Freddy's dyin. He doesn't know.
We've done some crying. He's in overload.

Tell me why don't you take me? I'm free today
I could dance thru the night
Who the hell could say we strayed...

(Bridge - Vamp)

One more night and I'll be on my way.
My daddy sits alone and he's smiling.
Speaking all the secrets on his island.
I'm lost in the sun. I'm hurting no one.
And were just afraid. That I may stay.

Tell me why don't you take me. I'm free today
WE could dance thru the night.
Who the hell could say we strayed? One more night.
And I'll be on my way

My Daddy sits at home on his island.
