

# Nominate A Hero For The Inaugural **First Responder Of The Year Award**

First responders rise to the occasion when we need them most. From natural disasters and everyday accidents to medical emergencies and hazardous material incidents, it all counts when there is a moment of great need.

**DO YOU KNOW A FIRST RESPONDER THAT HAS GONE ABOVE AND BEYOND IN A TIME OF NEED?** Use the registration box by the cashier to nominate them for the inaugural **First Responder Of The Year Award**. Winners will be recognized by the convenience and fuel retail industry as part of 24/7 Day celebrations on July 24, 2025.

From 9-1-1 dispatchers, nurses, firefighters, police, EMT, and Red Cross volunteers, there are many types of first responders. This award is an opportunity to say “thank you” to those who selflessly commit themselves to helping others and let them know we see their sacrifice, passion, and effort.

**WE SEE YOU. WE THANK YOU. 24/7 DAY**
