

WAIVER REQUEST FORM

NOTE: This Request for Waiver of NACD Teaching Standards must be submitted for consideration to the NACD Training Chairman, with the advice of the NACD Training Committee, and the Waiver approved prior to the course start date. All NACD Instructors should understand that a Waiver of Standards will be granted only in exceptional circumstances and on a case-by-case basis. In the event a Waiver is granted, such Waiver shall be for the course specifically described in the Waiver Request Form- approval of a Waiver for one course does not constitute an approval for any other course except to the extent specifically stated in the Training Chairman's written response to the Waiver Request.

The promulgation of this form is not intended to encourage Waiver Requests, but simply to provide an organized method of submitting a Request to the NACD Training Chairman in those exceptional circumstances when a Waiver of NACD Standards may be appropriate.
