Service Providers
Day Cares

Jessica is a highly effective, relational and intuitive educator skilled in developing skills in new teachers. She easily forms relationships, goes above and beyond to ensure the success of those she works with and empowers her clients to succeed in the early stages of their careers.

Robert C., Assistant Superintendent

Ms. Guarnieri is an effective presenter and her professional development is top notch. I found her presentation style to be engaging and interesting. She is thorough and uses multiple examples to ensure the participants understand the information. Ms. Guarnieri is personable and connects to her audience. She is knowledgeable in the field of special education with a focus on behavior management. Ms. Guarnieri is well respected by her colleagues.

Krista M., Building Administrator

INCLUSION IS EXCELLENCE PROGRAM

Harness the Power of Inclusion to Achieve Educational Excellence

About the iE Program

- Restores efficient collaboration between administrators and their special and general education teachers
- Ignites your district's ability to harness the power of effective collaboration
- Promotes your teachers' ability to foster an innovative learning experience for ALL students
- Cultivates an inclusive environment that instills a sense of belonging in each student
- Provides a wrap-around approach to building a collaborative team that unites purpose with practice

With our solution, you can reach new heights of excellence while empowering teachers to foster student success with one comprehensive package.
