I-821D, Consideration Of Deferred Action For Childhood Arrivals (DACA)

Use this form to request consideration of Renewal of Deferred Action for Childhood Arrivals (DACA). Deferred action is a discretionary determination to defer removal action of an individual as an act of prosecutorial discretion.

Anyone who receives deferred action will not be placed into removal proceedings or removed from the United States for a specified period of time, unless the Department of Homeland Security (DHS) chooses to terminate the deferral. See 8 CFR Part 236, Subpart C; see also www.uscis.gov/DACA. USCIS considers deferring action (including renewal of deferred action) on a case-by-case basis.

Individuals requesting DACA must file Form I-765, Application for Employment Authorization, and Form I-765WS, Form I-765 Worksheet, at the same time.

Receive your decision

We will review your request to determine whether the exercise of prosecutorial discretion is appropriate in your case. Each case will be considered on an individual, case-by, case basis. Even if you satisfy the threshold criteria for consideration of DACA, we may determine that deferred action is not warranted in your case. You will be notified of the decision in writing. There is no motion to reopen/reconsider the decision and there is no right to appeal.
