Stephanie works in the kitchen at the Coal Bucket Restaurant and was diagnosed with Multiple Sclerosis in 2017. Since then she has tried to raise awareness about this unpredictable disease and the impact it can have on those who live with MS and their Families. This will be the 5th year Stephanie has participated in the Walk MS Fundraising event. Last year, Team Persistence raised over \$6,000 for the National MS Society to help those who live with MS get the assistance they need and to help with research to find a cure!

This year the team hopes to exceed that amount!

We would like to thank you all for the support we continue to receive!

There will also be several Raffle Items available to purchase Tickets for beginning March 1st. Tickets can be purchased at the Coal Bucket Restaurant.

Tickets are 10 for \$5

We received a Grant from Community Legacy for the Sidewalk Project! We will be reading aloud Sealed Bid packages at our next meeting! Recently, I was able to attend the Maryland Pace Funders Meeting. I was able to discuss upgrades to the park, the installation of a stairlift at the Kitzmiller Elementary School, Handicap Access to the Kitzmiller Branch of the Ruth Enlow Library, and many more projects. There are funding sources available through grants that we can apply for, with hopes of being approved. I would also like to take the time to thank those who have donated to the Town and to the Lion’s Club for the Light Up the Park Event! We couldn’t do the things in this community we do, without you.
