Stated that they do have 1 office in the academy. *Rita Lambka* – Asked Dep. Alexander about children being on the 4-wheelers? Should they be wearing helmets? *Dep. Alexander* stated that yes, anyone who is riding a 4-wheeler should be wearing a helmet, including all passengers. *Rita* also asked what if there are ATVs that aren't registered and do not have their riding permit? *Dep. - Missi Nesselrodt – Resident/KVFD Secretary – She wanted to congratulate the Town on a successful Homecoming and on the completion of the ramp at the library. Asked if anything had ever come about the 2 stolen "Slow Down" turtles. *Beccie called and reported the incident but was advised that since the theft was less than \$100, there really wasn't anything that can be done about it.* Missi asked about the untagged vehicles that are sitting on the street. She stated that there are possibly two on Park Street and one she knows about sits on Third Street. *Beccie informed Missi that a letter will be sent to all parties.*

There were 90 guests that visited the library during homecoming. She would just like to give her personal thanks for the ramp at the library! For Lowe's, all the volunteers, and all the hard work that was put into it. Her only concern is that there is trash being placed in the opening between the "ramps."

Perry's Solid Waste Disposal Div. of Arnold Bros. Equipment Corp. was started with the belief that customer service and customer loyalty work hand in hand. Over the past 41 years providing service to customers in Garrett County, that belief has become a reality. Providing waste collection should be a seamless service and that is what we have strived to accomplish.

Even as our business continues to grow in the face of an unsettled economy, there is still a lot of uncertainty about the future of small business. After careful consideration we have made the decision to discontinue operations in Garrett County. Our family would like to thank you for your loyalty and for being a part of the Perry's Solid Waste Disposal Div. of Arnold Bros. Equipment Corp. family for the past 41 years. We want to ensure that our customers will receive the same high level of customer service they have come to expect from Perry's Solid Waste Disposal Div. of Arnold Bros. Equipment Corp. That is why we have made the decision to turn over the Garrett County business to Perry's Solid Waste Disposal - Pro Disposal MD.
